The renders of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional disease, requires a constitutional reatment. Hall's Catarrh Cure is taken internally, acting directly on the blood and mucous aurfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by boilding up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

BECOMING

Is an ordeal which all women approach with indescribable fear, for nothing compares with child-birth. The thought of the suffering and danger in store for her, robs the expectant mother

of all pleasant anticipations of the coming event, and casts over her a shadow of gloom which cannot be shaken off. Thousands of women have found that the use of Mother's Friend during pregnancy robs confinement of all pain and danger, and insures safety to life of mother and child. This scientific liniment is a god-send to all women at the time of their most critical trial. Not only does Mother's Friend carry women safely through the perils of child-birth, but its use gently prepares the system for the coming event, prevents "morning and other discomforts of this period.
