The New York legislature has voted a 99-year franchise to a company capitalized for \$1,000,000 for the use of water power at Niagara. The estimated profits of the company will be \$1,000,000 in three years. The people get nothing for the deal, and have no idea how much the legislators get.

### WARNED OF HIGH WATER.

Portland Weather Bureau Says High Stage of Flood is Due.  
Portland, April 14.—Since early Wednesday morning the Willamette and Columbia rivers have been rising at the rate of one inch per hour. At an early hour the river at this point had reached a stage of 12.3 feet, and shows no signs of ceasing its rapid rise.  
The local weather bureau predicts that it will reach a stage of 14.5 feet by tonight, and will probably reach as high as 16 feet some time Friday.  
A special river bulletin was issued today by the weather office, telling of the sudden rise in the river and warning those who live in lowlands.

### SUIT FOR DIVORCE.

Mrs. Kimball Alleges Cruelty and Inexcusable Neglect.

Augusta A. Kimball has filed a suit to be divorced from her husband, George Kimball.

The plaintiff alleges that she and the defendant were married in Minnesota in 1882, and that there are three children, Ethel Kimball, aged 21 years; Helen Kimball, aged 18; Nathaniel, aged 15. In 1902 the defendant advertised in the papers that he would not be responsible for any debts contracted by the plaintiff, and since that time has pursued a course of cruel and inhuman treatment towards her. He has accused her of being responsible for the incarceration of his brother in the asylum at Salem, and has stated in the presence of his children that he wished she would leave the house and never return, and that the sooner she would make the change the better it would suit him.

The plaintiff alleges that the defendant is a railroad engineer and earns \$130 and more a month, and is therefore financially able to provide for the minor child, which he has heretofore failed to do, and she therefore asks the court to grant her a divorce, to allow her \$30 a month for the bringing up of the child, Nathaniel, and for her costs and disbursements.

Carter & Raley are the attorneys for the plaintiff.

### High Water All Along the Line.

High water threatens the O. R. & N. tracks and bridges all along the line through the Burnt River canyon near Huntington. The banks of the stream are so low that it overflows at many points. Although the company has built nearly all steel bridges over Burnt river, there are many places where the water runs over the track, and a constant watch is kept at all times. Work trains are out all along the line, repairing and strengthening the track.

### Canon Farm Sold.

James S. Doyle and wife have sold to E. L. Smith for \$5,000, the southeast quarter of the southwest quarter and lot 4 of section 19; the east half of the west half and lots 1, 2, 3 and 4 of section 32 east, and lots 1, 2, 3, 6, 7 and 8 of section 25, in township 6, north of range 31 east, being a tract of land in the vicinity of Canon.

### Jeffersonian Banquet.

### "Gamekeeper" Very Good.

A fair-sized audience greeted the "Gamekeeper" at the Frazer last night, and was well repaid. The company presented the old Irish drama in a very able manner. The singing of Thomas J. Smith, as Derry Doolan, the acting of little Nordine and the genial Irish atmosphere of the entire play and cast were highly appreciated.
