Had an Arm Broken.

The little daughter of R. E. Stewart had the misfortune to get her arm broken between the elbow and wrist. Dr. Sharp reduced the fracture.

Alfalfa in Willamette.

A thousand pounds of alfalfa seed is to be sown this year by Richard and John Kiger. The seed is sufficient for 80 acres, of which the former will sow 50 acres on his farm north of Corvallis. Fifteen acres sown there last year yielded two

satisfactory crops and has a stand this season that is very thick and already a foot high. There are many who believe that alfalfa is a coming crop in Willamette and one that will be profitable. Land that will produce it in abundance will at once take on a value of \$200 per acre or more.—Corvallis Times.

THERE ARE NO FAILURES.

Dr. Garfield, of Victoria, B. C., Tells of Three Hundred Cases Wherein He Recommended the Use of Trib. Dr. James G. Garfield, of Victoria, B. C., when asked, do you endorse TRIB as a cure for the liquor and tobacco habit, said: "I do. I have seen your remedy long before it was sold to you, and can tell you of three hundred people that I have advised to take it. I never knew of a failure to cure where the party taking it was sincere."

Must Pay for Fair Stock.

Zoeth Houser, ex-United States marshal, who resides in Pendleton, was in Portland Tuesday attending the congressional convention, and was served with a summons and complaint in a suit filed in the state circuit court by the Lewis and Clark Centennial and American Exposition to recover \$100. Houser in November, 1901, subscribed for 10 shares of the stock, which he has not paid for, and Gammans & Malarky, attorneys for the exposition company, took this means to enforce collection. It is the purpose of the management not to allow any subscriber to escape payment.—Telegram.

Robbed the Grave.

A startling incident is narrated by John Oliver of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters; to my great joy the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50 cents. Guaranteed at Tallman & Co.'s drug store.
