"Brown's in Town." The clever satirical comedy by Mark E. Swan, "Brown's in Town," is among the April attractions at the Frazer on April 27. The plot is well known and deals with the desire of a young man to keep his marriage a secret from his father. The management promises something new in the way of some excellent vaudeville specialties and a company which includes the following well known farceurs: Frank Fossick, George Berry, J. R. Bartlett, Jack Beach, Christine Prince, Ernest Lenore, Minnie St. Claire, Leah La Farce and Annett Humphreys.

Better Service Promised. After two weeks of continual rush the Peoples Warehouse will make an extra effort to have this Saturday the easiest for people to trade at this great Fire Sale. Everything in the store is reduced, whether damaged by fire or not, and each and every article is sold as it is. If it is damaged, you are told so, and if not, you are told so. We would just advise you to come early and avoid the crowd.

NO REASON FOR IT.

When Pendleton Citizens Show the Way.

There can be no just reason why any reader of this will continue to suffer the torture of an aching back, the annoyance of urinary disorders, the dangers of diabetes or any kidney ills when relief is so near at hand, and the most positive proof given that they can be cured. Read what a Pendleton citizen says:

Mrs. C. C. Hendricks, wife of C. C. Hendricks, insurance agent, living at 408 West Court street, says: "When I first heard of Doan's Kidney Pills I had been suffering for over a year with pains in my loins and back and with a weakness of the kidneys, and I therefore decided at once to try the pills. I got a box at the Brock & McComas Co. drug store. Now, I don't want to say that they have entirely cured me, for the trouble may return sometime in the future, but they entirely relieved the backache and up to this time I have had no return of the trouble. Only the other day I told a lady friend, who is suffering from kidney trouble, to try them and have recommended them to others. I shall continue to do so."

For sale by all dealers. Price 50 cents per box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

Cattle Eating Off Their Heads. Newt Livingston, who was in town this week from Middle Fork informs us that there are still some cattle dying in that nearly inaccessible locality, and in all probability there will be some loss during the next month. Newt says he has fed his cattle over a ton to the head so far, and is still feeding them. With the present prices of hay and cattle he figures that he would have made money to have given his cattle away last fall and sold the hay—Long Creek Light.

Fire Sale Prices. The fire sale is still on at the Peoples Warehouse. Now is the time to save money on your clothing, dry goods and shoes.
