### Our Surpassing Soda

The soda water drawn at our fountain surpasses in absolute purity, in perfect cleanliness, in dainty appetizing service, in perfection of flavors.

We go the limit in making every drink as nearly perfect as it is possible to make it.

We spare neither time, trouhie or expense

There are many good reasons why you should drink all of your soda water here and for the fact that there is something about each drink that makes it taste different from other soda.

"GET THE HABIT."

## GAMBLER TALKS

SAYS THE CLOSED TOWN POL-ICY WILL KILL PENDLETON.

Many Boss Gamblers Glad Town is Closed Because Games Can Be Run Without Paying License-Workingmen and Clerks Now Play Behind Closed Doors That Would Not Play in Open Games.

A gambler who has spent the win ter in Pendleton, left disgusted, yes terday morning for Athena.

"There is no more easy money in Pendleton," said the knight dejectedly. "The closed town proposition is going to kill this place. I am going up to Athena, where there is something doing in my line.

"There are two or three boss gambler here who are glad the town is closed, because they can run games on the quiet and escape paying a license to the city. It is worse the way it is run now, than if it were wide open. As it is now, all the games are run behind closed and locked doors and the clerks. workingmen who are afraid their employers would discharge them if hey knew they played, can go be hind a locked door and play all night with impunity, because their employers cannot walk in on them.

Company "If the town was open and the Liabili- games run in the front rooms, a certain class of men that has plenty of Five hundred painters and burian money, would be afraid to play hangers are on strike at the world's the open for fear of losing their

"As it is now the games are run Every member of the Australian ning and the city is getting no revenue and the class that would not dare to gamble in the front room can always find a locked door to go behind, if they are looking for a game

There is plenty of easy money at the farming towns up the line. The workingmen all play, if not openly The widow of Jefferson Davis. a living some way there. Here it is a skin game to see who can run in acy, is in very poor health, and will the greatest number of suckers and not get caught."

### GOOD FISHING PROSPECTS.

It is believed he suicid- Champion Fisherman of Eastern Oregon Ventures a Prediction on the Season of 1904.

H. W. Swart, the best, if not the ty, was in the city last evening from loss was Ringham Springs, and spoke enthus-A three-story Catholic school jastically of the fishing prospects for the season of 1904.

He says the young fish placed in supply of trout in the streams of the B. B. Metsregor, of New York, for Blue mountains will be better this merly of Cleveland, and a founder of year than ever before, according to the Standard Oll Company, is dead. Mr. Swart, who is a close observer

Water is too high yet to admit of and the actual fishing season have opened. North Fork, Meacham creek, Butcher creek and other tributaries of the Umatilla river all give Tom Davidson, a vagrant, has promise of giving excellent returns to the fishermen.

### AT THE BARRACKS.
