FAVORS BUILDING

BUT WHAT WILL BE THE ATTITUDE OF THE CITY?

Vice-President McCabe is Friendly, But Cautious, and Evidently Not Disposed to Take Everything for Granted—New Building May Be Built on Lines of a Business House.

Walter Adams, agent of the W. & C. R., is in receipt of a letter from Joseph McCabe, vice-president, stating that he would favor the building of a passenger depot on the company's property at the corner of Webb and Garden streets if he was sure that the city would be and remain friendly to the company.

The city once raised a great deal of objection to the company using the street for switching, and the management would have to be certain that there would be no trouble about the trains halting and standing opposite the depot before an exclusively passenger building would be put up. It is almost a certainty that the company will build on its property, but it may be that it will see fit to construct a brick store building, so that in the event of its having to abandon the place for any reason it could rent the structure for a business house, and thus be at no loss.

Mr. McCabe will be in town in a few days, when definite arrangements will be made about the future headquarters of the company here.

OREGON TIMBER IN FRANCE.

American Consul General Tells of Demand for Our Pine.

American Consul General R. P. Skinner at Marseilles, France, sends the following interesting report on the demand for Oregon pine in France:

"Replying to inquiries respecting a possible market for Oregon pine and California redwood in this portion of France, I have to say that both woods are more or less known

What Shall We Have for Dessert?

in Marseilles and can be sold here in small quantities.

"Unfortunately, it has been impossible up to this time to secure delivery in the small quantities desired, owing to difficult freight conditions. Mr. A. Sylvander informs me that in order to transport this lumber to the Mediterranean upon reasonable terms, ships sufficiently large to carry from 1500 to 2000 loads of 50 cubic feet each must be chartered.

"The existing annual market in Marseilles amounts to not more than 100 loads, or 5,000 cubic feet. Buyers are exceedingly conservative and Mr. Sylvander sees no prospect of vastly increasing demand. Oregon pine could be used in shipbuilding centers, and redwood should find some market in Spain where a light wood is desired.

"Some Oregon pine was once purchased by a large dealer in Cette, who was six years in closing out the consignment; and while high prices were realized he was discouraged from purchasing a second lot.

"While this report is rather discouraging, it seems to me that American manufacturers, by acquainting themselves with the Mediterranean market, might make up enough combination orders to constitute a good-sized cargo, to be distributed among the several markets in this vicinity—as, for example, Naples, Leghorn, Genoa, Marseilles, Cette and Barcelona.

"Large quantities of southern pine are taken up in this market, but, as I have frequently stated, the purchases are almost invariably made through one or two important British firms. The experience of local dealers in undertaking direct transactions has been unsatisfactory, and they are disinclined to make any further experiments. By operating with British middlemen they perhaps pay a little more, but allege that they thereby acquire a satisfactory method of quickly adjusting all possible claims for poor deliveries."

Cured 20 People.

Sergt. C. C. Rummel of the 26th United States Coast Artillery writes from Fort Flagler, Wash.—Trib is doing very fine work among the people here. I know of twenty persons here who were cured of the Drink Habit. I take pleasure in recommending it as a cure for the Liquor and Tobacco Habits.

APRIL IS A HUMMER

OUR BUSINESS FOR THIS MONTH HAS BEEN BIG AND WE ARE PROUD OF IT. IT DEMONSTRATES TO US THAT OUR POLICY IS CORRECT, THAT TO WIN THE PATRONAGE OF THE PUBLIC BY GIVING THE BEST PRICES ON GOOD, HONEST GOODS IS THE BEST TRADE PULLER. WE CANNOT ADVERTISE THAT WE HAVE THE "BIG" STORE, BECAUSE WE HAVEN'T; BUT WE CAN SAY THAT WE GIVE THE BIGGEST VALUES OF ANY STORE IN PENDLETON, BECAUSE SUCH IS THE FACT. WE HAVE LEARNED THAT THE SIZE OF THE STORE IS NOT WHAT COUNTS IN THE BUSINESS WORLD. IT'S THE SIZE OF THE VALUE OF THE GOODS IN COMPARISON WITH THE LOW PRICE.

WE ARE ON THE RIGHT LINE AND WE PROPOSE TO KEEP RIGHT ALONG HAMMERING AWAY, MAKING SLEDGEHAMMER BLOWS OF LOW PRICES DRIVE THE NAIL OF OUR BUSINESS SUCCESS.

A FEW REASONS WHY WE CAN GIVE BETTER VALUES MIGHT NOT BE OUT OF PLACE HERE: WE HAVE SMALL RENT TO PAY; WE DO OUR OWN WORK; OUR INVESTMENT IS NOT LARGE, AND WE HAVE NO INTEREST TO PAY; OUR STOCK IS ALL NEW, BRIGHT AND FRESH, AND WE HAVE NO MONEY INVESTED IN OLD, STALE, UNSALABLE GOODS, WHICH TAKE UP ROOM THAT COSTS MONEY FOR RENT; NOR HAVE WE A BOOKKEEPER MARKING DOWN BAD ACCOUNTS. ANOTHER THING, OUR INSURANCE IS LIGHT; OUR LIGHT AND FUEL BILL IS SMALL; WE HAVE NO HIGH-SALARIED CLERKS, SO YOU CAN SEE FOR YOURSELVES SOME OF THE MANY REASONS WHY WE CAN SELL CHEAPLY.

THOSE DAY-SALE PRICES TELL THE STORY OF OUR BIG BUSINESS RECORD FOR THIS MONTH. THESE PRICES WILL CONTINUE UNTIL MAY 1ST. LOOK AT EACH DAY'S SPECIALS. THESE DAY SALES SAVE YOU MONEY. FIGURE OUT YOUR SAVING FOR YOURSELF. YOU'LL FIND THAT WE HAVE THE GOODS JUST AS ADVERTISED WHEN YOU COME TO OUR STORE.
