# 50c. Bottle Free.

When Medicine Fails, Try Ligozone--We'll Pay for it.

### We Paid \$100,000

For the American rights to Ligozone--the highest price ever paid for similar rights on any scientific discovery. We did this after testing the product for two years, through physicians and hospitals, in this country and others.

That price was paid because Ligozone does in germ troubles what all the drugs, all the skill in the world, cannot accomplish without it. It carries into the blood a powerful yet harmless germicide, to destroy at once and forever the cause of any germ disease. And no man knows another way to do it. Ligozone is so certain that we publish on every bottle an offer of \$1,000 for a disease germ that it cannot kill.

### Germ Diseases.

These are the known germ diseases. All that medicine can do for these troubles is to help Nature overcome the germs, and such results are indirect and uncertain. Ligozone kills the germs, wherever they are, and the results are inevitable. By destroying the cause of the trouble, it invariably ends the disease, and forever.

## NEWS OF ATHENA

### DEATH OF MRS. LEWIS IN PORTLAND, APRIL 26.

Mrs. Mansfield is Very Sick--Ora Rhodes Has Returned--Missionary Tea at Christian Church--Marriage of Popular Young Folks--Entire Family Sick With Mumps.

Athena, April 30.--George Marquis' parents, Mr. and Mrs. Marquis of Adams, are both suffering from a severe attack of la grippe.

Ora Rhodes, who has been spending a month or more on his homestead in Crook county, returned home this morning. Mr. Rhodes likes that country pretty well, but likes Athena more.

Mr. and Mrs. E. R. Cox spent yesterday in Pendleton, attending a reception given at the Matlock home.

Death of Mrs. Lewis.  
Mrs. Jennie Lewis died in Portland April 26th. She is the wife of H. P. Lewis, the insurance man of this place. Mrs. Lewis was buried in La Grande.

Grandma Mansfield, mother of A. L. Johns, has been very sick at the home of the latter.

The C. W. B. M. will give, on Saturday, May 14, at the Christian parsonage, a missionary tea. A program has been prepared, and an enjoyable evening is expected.

The entire Waddingham family is sick with the mumps, near Weston. Miss Hyla Cooper of Walla Walla, visited Miss Juanita Sargent of this city, Sunday.

### Titsworth-Curts.

At 4:30 p. m. Wednesday, April 27, Mr. H. P. Curts of Helix and Miss Nellie Titsworth, the eldest daughter of Mr. and Mrs. G. W. Titsworth, were married by Rev. Simons. Only the members of the two families and most intimate friends were present. They will make their future home in Helix.

### JOINT COMMENCEMENT.

Proposed to Unite Academy and High School Observance.

A plan is being considered by the management of the Pendleton Academy and the high school, having in view a consolidation of the baccalaureate day services during the commencement week.

Owing to the fact that the commencement of the two institutions come this year on the same week, and that the date set for their commencement sermons conflict, it has been thought to be a good plan to make some arrangement whereby the services can be thrown together and both institutions meet that day in common.

A committee from the high school met with the management of the academy yesterday afternoon, and the matter was discussed. There is no objection to the plan from either side, provided some place can be secured that will accommodate the pupils and friends of both institutions, and further provide that the services may be made general in their character, in order not to conflict with the custom of the public school to introduce no denominational teachings into the work or services of the schools.

It has about been decided to secure the opera house on the Sunday of commencement week, and to bring to the city on that date some prominent speaker or educator who will make the address to the students.

### A Sure Thing.

It is said that nothing is sure except death and taxes, but that is not altogether true. Dr. King's New Discovery for Consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. Van ... of Shepherdstown, W. Va., says: "I had a severe case of Bronchitis and for a year tried everything I heard of, but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely." It's infallible for Croup, Whooping Cough, Grip, Pneumonia and Consumption. Try it. It's guaranteed by Tallman & Co. druggists. Trial bottles free. Regular sizes 50c. \$1.

### Spokane's Remarkable Growth.

Spokane, May 2.--Over \$700,000 will be expended in new buildings in the next few months according to the report of Commissioner Root for the month of April. The actual amount for which permits have been issued is \$767,275, being a total of 223 permits. It is believed that after this month the applications for permits will fall below the number applied for during April, but building operations will go on apace for quite a long time. The permits for the month include 116 for amounts over \$1,000, most of these being cottages of an average valuation of about \$2,000. Ten of the permits are for amounts ranging from \$20,000 to \$30,000; one for a \$70,000 apartment house, and one for a \$250,000 addition to Gonzaga college.
