### DAN SMYTHE ACCEPTS.

Will Make the Race for District Attorney in Seventh Judicial District.  
Dan P. Smythe, who has been associated with Halley & Lowell in law practice in this city for some time, has accepted the nomination for district attorney in the seventh judicial district on the democratic ticket, and filed his acceptance at The Dalles yesterday.  
The district comprises the counties of Crook, Sherman, Gilliam, Wheeler and Wasco, and is the largest judicial district in the state. While the district is strongly republican, complications this year seem to make the chances favorable for a democratic candidate, and especially where the personal popularity is as great as that of Mr. Smythe, who has a host of friends in the different counties. Arlington is his home and he will make the campaign from that point.

### LIEU SELECTION DEED.

Abandoned Arizona Entry to Locate in Umatilla County.  
A rare deed was filed this morning in the office of the county recorder. It was a lieu selection deed, and by its provisions it was shown that Edward B. Perrin had taken up 80 acres of land in Coconina county, Arizona, but had, under the provisions of the forest reserve act, deeded the land back to the government in consideration of the right being granted him to take up another piece of land elsewhere.  
According to this permit he on May 4 filed on the south half of the northwest quarter of section 19, in township 6, north of range 34 east, being in the Hudson Bay country. Having filed on the land he sold the right to file and all interest he may ever have in the land in question to William H. Caston, of Walla Walla, for \$400.
