### CUNNINGHAM SELLS

DISPOSES OF 180,000 POUNDS OF THIS CLIP.

Returns Will Aggregate Nearly Twenty-Three Thousand Dollars—Immense Quantities of Wool Are Coming in From Every Direction—Four Carloads From Wallula Yesterday—Cunningham Clip Goes to Union.

Charles Cunningham has sold his entire clip of wool to the Union woolen mills, for 12 1/2 cents a pound. Some time ago John P. Wilbur, superintendent of the mills, was in Pendleton looking over the wool conditions, and while here closed the deal for the Cunningham wool at the figure stated above. There will be about 450 sacks of the clip, or about 180,000 pounds, which will bring to the sheepman at the price paid, \$22,500.

The most of the wool will be hauled to Echo and shipped from there to the mill; but a portion will be brought to the warehouse here and shipped from this point.

The first few loads of the clip have been brought in, and from now on the road will be lined with wool wagons from all of the camps. Rugg Bros., Cunningham, E. Evans, Pedro Bros., and the rest of the sheepmen are now beginning to haul, and by the first of the week all of the clip will begin to move.

Four cars of wool came in from Wallula yesterday for the scouring mills to clean up, after which it will be shipped to the eastern market. The scouring mills are receiving carloads of Washington wool every day.

## GREAT BASE BALL

EVERY INDICATION OF A LARGE ATTENDANCE.

Weston Will Be Here En Masse—Wonders Will Play at the Caledonian Picnic—Games Probable With La Grande, Walla Walla, Milton and Athena—Extensive Improvements to the Pendleton Grounds—Revised Line-up is Given Below.

The baseball fiends of Weston have chartered all the rigs in Weston, Athena, and Adams, and will be in Pendleton Sunday next with bells and great confidence in the Weston team. The Pendleton fans are also ready to back their favorites with noise, money and talk, and it is a certainty that the game will be well worth attending.

Mr. Drake is also in receipt of invitations from Athena to play his team at that place during the latter part of the month at the Caledonian picnic, and from Weston, where it is desired that Pendleton help entertain the Pioneers at their picnic soon to be held.

Besides these, La Grande, Milton, Athena and the De La Salle team of Walla Walla, all want a chance to take a fall out of the local ball tossers, so it is easy to see that the town will have a chance to see a lot of ball this summer, which, though amateur, will be as good as that played during some of the professional games in the past.

Manager Lee Drake has been busy for the past few days making some alterations in his team, necessitated by the departure of Shortstop Kruger for Jacksonville, and with preparing the grounds for the Sunday game.

The bleachers, backstops and grand stand at the park will be put into the best shape possible, and the infield will be worked over and made as fast and clean as it ever has been, so that the patrons of the game will be both comfortable and able to see a good game on a good field.

It has been decided to grant a franchise to a lemonade stand, and the thirsty will be able to partake of cooling drinks at the game for 5 cents per.

The game of Sunday will be with Weston, which is coming here with the determination of taking back the scalp of the Wonders at their belts.

The Wonders have secured the services of Rube Sanders, the well known Indian athlete of Chemawa and of Portland Multnomah club, who will catch for them during the Sunday game. Sanders is a good catcher, a hard man to steal bases from, a good sticker and a fast base runner, so that his addition to the team will prove a drawing card for the game, and a source of strength to the team.

The line-up of the teams is as follows:

The Wonders—Rube Sanders, c; Jerry King, p; Moscow Froome, 1b; Lee Drake, 2b; George Strand, ss; Roy Blakley, 3b; George Castle, lf; Roy Alexander, cf; Lester Cronin, rf; Chester Foster, substitute. Wescon—McBride, c; Nelson, p; Roberts, 1b; Buerstette, 2b; Baddeley, 3b; White, ss; Young, lf; Gues-saz, cf; Wood, rf.

George Hartman, Jr., will umpire the game.

### DECORATION DAY.

G. A. R. is Taking Steps for Its Proper Observance.

At its last meeting Kit Carson Post G. A. R., decided to observe Decoration Day, and with that end in view, committees have been appointed to secure speakers for the day, and to make the other necessary arrangements.

On Sunday, May 29, the veterans will assemble in one of the churches to listen to the annual memorial sermon, delivered by one of the ministers of the city.

On the following day, or Decoration Day, services will be held at the cemetery by the post. G. W. Rigby, commander, is in communication with several prominent speakers in the state, with a view to securing one of them for the address. It is the desire of the post to listen to one of the old veterans this year if possible, as was the case last year.

### WILL MOVE TICKET OFFICE.

The lessee of the building on the corner of Webb and Main streets wants to begin the remodeling of his place of business, and Mr. Adams is forced to make the move at once.

Plans for the new depot will be drawn at once and submitted to the head office of the Northern Pacific, either at Tacoma or in the East. As soon as they are approved they will be sent here and the construction of the building will begin at once. It will take from 30 to 60 days to finish the work when once it is started.

quaintance with the taxpayers. He served in the clerk's office as deputy one year, in the recorder's office six months and wrote the tax roll of 1903 for Sheriff Taylor, and has a wide familiarity with the work in all the offices.

### FREIGHT TARIFFS SUSPENDED.

Pilot Strike on the Great Lakes is Responsible.

E. C. Smith, agent of the O. R. & N., has received word that owing to the pilot strike on the Great Lakes all tariffs would be suspended on freight sent from any point to places where it would have to be transferred across the waters affected by the strike.

All of the pilot men are out on the lakes, and there is no one to handle the ships. Owing to this condition of affairs, no freight can be handled by lake vessels until the settlement of the difficulty.

### Passengers Got Left.

Four passengers on O. R. & N. No. 1 came over to a baker shop while the train stopped this morning, and stayed so long that the train pulled out at the scheduled time and left the tourists in the city. Two of them had families and two of them were single men. All happened to have their tickets in their pockets and will go west on the next train. The train crews are very careful to announce the length of the stop here so there is no excuse for passengers being left if they heed the warning given for their benefit.
