ALABAMA REPUBLICANS.

Lily Whites Accept Defeat Gracefully —Harmonious Session.

Birmingham, Ala., May 10.—Prospects were bright for a harmonious gathering when the republican state convention was called to order here at noon today. The convention will select delegates to the Chicago convention and nominate a state ticket, and the sessions may be prolonged for several days.

It was thought some time ago that the "Lily Whites," who are opposed to the Roosevelt administration and have heretofore been in control of the party machinery, would attempt to make trouble in the convention. But when the so-called Black and Tan element succeeded in gaining control of affairs the Lily Whites accepted defeat gracefully and it is believed that the plans to have the state convention come out strongly for Roosevelt and to have the Alabama delegates instructed to vote for his renomination will go through the state convention without much difficulty.

Begged for Liberty.
