RIDGE AND VICINITY

NARROW ESCAPE FOR MAN AND CHILD IN ACCIDENT.

Taking Sheep to the Mountains—Hauling Wool to Pendleton—Building Sheep-Tight Fence—Rain is Needed Badly—Moving Cattle to Summer Range—Recovering From Attack of Rheumatism.

Ridge, May 12.—B. F. Ogle got a bad fall last Sunday. He was holding his little grandson, Bennie Simon, to be weighed. A fastening gave way above, letting them down on the floor, and precipitating a beam upon them. Mr. Ogle's head struck a bedstead, and he also received injuries in his back, but he held to the child so as to keep the beam from striking it on the head, and it escaped injury. Mr. Ogle weighs 220 pounds, so came down pretty hard. A. A. Cole took one band of his sheep to the mountains Sunday.

Oliver Knotts of Pilot Rock, who has been sick with rheumatism, is able to be about again.

Charles Cunningham is having a sheep-tight fence built along the lane on his Webb Slough ranch. It is woven wire on the bottom with two barbed wires above. John Bradburn finished seeding on said place Saturday night.

Charles Fahrenwald is hauling his wool to Pendleton this week.

We are having fine weather out our way, with the exception of not enough rain, which is needed badly. We have had no rain to speak of for six weeks.

Ogleases and Owinsseses have moved their cattle to their mountain pastures for summer range.

CORRECTION IS MADE.

East Oregonian Incorrectly Referred to the "Athena Reds" as the "Yellow Kids."

The baseball editor and expert of sporting terms being out of town this week, the religious editor vulgarly referred to the "Athena Reds" as the "Yellow Kids," in a baseball review, and the "Reds" have taken exception to the term, in the following letter from the manager.

The East Oregonian cheerfully corrects the wrong impression that may have been sent out by the application of the wrong name to Athena's team, and reminds Manager Barrett that after next Sunday, when the Pendleton "Wonders" get through with the "Athena Reds" there will not be enough of them left to need a name of any kind. The letter is as follows:

Athena, May 12.—(To the Editor.)—I notice in your baseball item of today's paper you term the Athena ball team the "Yellow Kids."

Please make correction through your paper, as the team is "The Athena Reds" and not "Yellow Kids." The present team does not expect to keep up the standard of the "Yellow Kids," therefore we do not wish the name attached to it.

Yours very truly,
HENRY A. BARRETT.

BABY'S VOICE

Is the joy of the household, for without it no happiness can be complete. How sweet the picture of mother and babe, angels smile at and commend the thoughts and aspirations of the mother bending over the cradle. The ordeal through which the expectant mother must pass, however, is so full of danger and suffering that she looks forward to the hour when she shall feel the exquisite thrill of motherhood with indescribable dread and fear. Every woman should know that the danger, pain and horror of child-birth can be entirely avoided by the use of Mother's Friend, a scientific liniment for external use only, which toughens and renders pliable all the parts, and assists nature in its sublime work. By its aid thousands of women have passed this great crisis in perfect safety and without pain. Sold at \$1.00 per bottle by druggists. Our book of priceless value to all women sent free. HOLT BROS. Side Hill Combined Harvester

The latest improved two-wheel, side-hill combined harvester has proven a boon to wheat raisers. It is the most successful, most economical and easiest machine to operate ever built.

These harvesters have been given abundant trials right here at home and all users are highly pleased. None have been dissatisfied and all are high in their praise.

The Holt side-hill harvester on a side hill is able to stick to the side of the hill, while the header will slip down the hill. The main wheels are vertical, which braces the machine to the side hills. It works equally adapted to level land.
