BRICK BUSINESS

WESTON YARDS HAVE ONE MILLION READY.

Walla Walla Trade a Little Slow This Year, But Will Use a Large Number This Season—Immediate Demand in Pendleton, Which Will Be Active All Summer—Weston Kilns Will Be Crowded to Their Utmost Capacity.

Clark Nelson, the Weston brickyard man, is in town on a short business trip. There are at this time about 1,000,000 brick ready for shipment in the yards and the work is retarded for want of room in which to place the new kilns as they are made ready for the burning.

The Walla Walla trade has been slow, and up to this time but little building has been put under way in that place. From now on, however, since the good weather has set in, more brick will be used, and several large buildings will be constructed in the Garden City during the summer.

The Pendleton trade has been backward also, though it has not dragged like operations in Walla Walla. Shipments will begin immediately for the new Murphy building on Cottonwood street near the corner of Court, for the Matlock and Brownfield buildings on Main street, and it is expected for the Milarkey building, which will be put up during the summer.

Besides these, the public school buildings will take a large quantity of brick during the middle and the latter part of the summer. The brick business on the whole is in a pretty fair state of prosperity and also in a good condition to handle all of the

demand that may be made upon it during the year. With the stock the yard now has, the management will be more than able to keep ahead of the demand.

BASEBALL TOMORROW.

La Grande Will Play Here as a Substitute for Walla Walla.

It has been learned that Walla Walla cannot come to Pendleton to play baseball tomorrow, and arrangements have been made with the La Grande team to fill the date. This is the first time the La Grande team and the Pendleton Wonders have crossed bats this summer, and the game will be of added interest from that fact.

The La Grande boys have been playing some good ball during the season, and it is expected that the game will be a close one and worth the trouble it takes to see it, and more. The game will be called at 3 o'clock, at the Alta street grounds.

Band Concert Tonight.

The Pendleton Brass Band will give an open air concert on Court street tonight. The band is growing in numbers and is improving in efficiency very rapidly and it is now one of the best musical organizations in Eastern Oregon. The boys have engagements ahead for the next two weeks which will keep them busy employed and Pendleton is now promised one of the best permanent bands ever organized here. The open air concerts will be a feature of the summer months.

Boys' Band Room Completed.

The Boys' Military Band room has just been kalsomined and is now in shape for the final arrangements to arrive, which is expected next week. W. D. Fletcher has been busily engaged for the past few days making final arrangements for the organization of the boys' band and has material selected for one of the best boys' bands in the state. There will be 24 pieces in the band.

A TALK ON CIRCULATION.

The East Oregonian makes no extravagant claims on circulation. It is not necessary. The receipts of newspaper postage at the Pendleton post-office speak for themselves. The report of Postmaster Livermore for the first quarter of the year 1904, shows that the total amount of newspaper postage received at his office was \$63.25. Of this amount the East Oregonian paid \$39.72 or almost double the amount paid by the Tribune, the Guide, The Ilakawinn and Livestock Journal, which paid combined, but \$23.53. Advertisers may verify these figures by calling for the report of the postmaster, and by inspecting the postage receipts in this office. Uncle Sam's figures don't lie.

IN SOCIETY

A Porch Party

One of the prettiest card parties of the season was given this afternoon by Mrs. Charles J. Ferguson at her home on the heights. The weather being perfect for an out-door party, cards were played on the large and spacious porch, which was beautifully decorated for the occasion with Japanese lanterns, while at various places were large bunches of spring flowers.

"Five Hundred" was played, after which delightful refreshments were served by the following young ladies: Miss Edna Thompson, Freda Roesch, Jessie Hartman, Eleanor and Constance Despain.

The invited guests were: Mesdames John Halley, W. G. Cole, Chas. Eppinger, C. S. Jackson, E. C. Skiles, H. C. Guernsey, T. C. Taylor, William Shults, Louis Hunziker, Alice Sheridan, E. P. Marshall, F. J. Clopton, Fred Judd, Leon Cohen, W. E. Brock, C. C. Berkeley, T. G. Halley, Lot Livermore, Lee Held, C. H. Carter, G. A. Hartman, Lina Sturgis, Harry Johnson, J. F. Robinson, J. R. Dickson, Norborne Berkeley, Thomas Warner, C. J. Smith, S. M. Thompson, Edwin Switzer, E. A. Vaughn, Thomas Ayres, John Vert, R. Alexander, Leona Thompson, W. Roesch, W. J. Furnish, F. W. Vincent, Frank Frazier, W. J. Fowler and E. E. Lowell, of Portland; Misses Ida and Harriet Thompson, Stella Alexander, Bessie Switzer and Neva Lane.

The Elks' Party.

Owing to the warm weather of Thursday evening, there was not as large an attendance as usual at the dancing party given by the Elks. Those who were present report having a delightful time dancing to the strains of good music.

Sewing Bee.

Mrs. Lee Moorhouse entertained a few friends Tuesday afternoon at a carpet rag sewing contest. The afternoon was spent very lively in sewing and conversation. Miss Ida Thompson having sewed the most, was awarded first prize. Mrs. Charles Hamilton winning second.

The guests present were Mesdames Edwin Switzer, Guy Wade, Charles Hamilton, Ben Borroughs, Frank Moule, Miss Bessie Switzer, Ida and Harriet Thompson, Miss Eleanor Moorhouse, of Fossil, Or., and Mrs. E. E. Lowell, of Portland.

Mrs. Dorman Entertained.

Mrs. Henry Dorman entertained a few friends last evening in compliment to her niece, Miss Louie Sibbotham, of Boise, who is a graduate from a dramatic school at Chicago. Miss Sibbotham favored the guests with a number of choice selections, which were charmingly rendered. The guests present were Mr. and Mrs. Wesley Matlock, Mr. and Mrs. Castleman, Mrs. E. C. Skiles, Messrs. Bert Bell, J. C. Lindsey, of Portland, and Mr. Burns, of New York City.

Japanese Hair Dressing.

In Japan a woman's age may be told by the way she arranges her hair. The style of coiffure also announces whether she is married or single.

The hair of a maiden of 18 is dressed in the "butterfly" style—that is, with many loops and bowknots. Between 20 and 25, the triple coiffure is worn; this consists of three loops only.

After 28, when a Japanese woman is no longer considered young, there is only one more coiffure for her. That is a plain style, without elaborate loopings and weavings.

The more respectable the family, the smaller the form of a coiffure. The geisha always adopts an elaborate style of hair dressing.

After a girl is married, she wears her hair in a fashion quite different from any of the preceding. The most beautiful and the most elaborate of all is the bride's coiffure, called hanayome, literally "flower-wife." The arrangement is a riddle of graceful loopings and weavings, held in place with curious combs and shot through with pins of gold, silver and tortoise shell.

issued invitations to the members of the P. B. A. and G. S. A. clubs for a party to be given at their home on Wednesday evening next.

The engagement of Miss Eva Switzer, of Walla Walla, to H. N. Dyer, of Tacoma, is announced. Miss Switzer is well known in Pendleton society, where she is a general favorite.

Mrs. E. E. Lowell, who has been the guest of her mother, Mrs. Livermore, for the past few weeks, returned to her home this morning, accompanied by her sister, Bessie Switzer, who will visit a few days in Portland before leaving for a visit at Kansas City and the World's Fair. Miss Switzer expects to be gone until September.

SITE SELECTIONS.

School Board Will at Once Take Steps to That End.

This afternoon the school board met a number of residents of the east end, and the selection of a site for the building in that part of the city was talked over. While it is the desire of the board to make a selection that will meet with the favor of a majority of the people in the eastern part of the city if possible, the members will reserve the privilege of putting the building where it is thought best in the event that no definite preference is expressed by the people.

There are several sites that are under consideration by the board and the east end citizens, and just which will be chosen is not at this time determined. Some are in favor of the block in the Byers addition that is offered by Mr. Clopton, but others point out that while it can be filled in for a small amount so that a building can be put on it in good shape, the rest of the pond will remain and it will be several years before the property is so improved as to make it entirely fit for a school district.

As soon as the site has been chosen in one of the districts the board will call meetings in the others having the same end. It is the hope of the board to have the selections made and the buildings under way by the time school is well out, or as soon as the plans can be drawn and the contracts let.

Returned Home.

Dr. N. H. Smith, of Seattle, who has been visiting with his sisters here for a few days, left this morning for home. He was accompanied as far as Portland by Mrs. Grace Tatum and Miss Myrtle Smith, who will be guests of relatives and friends there for a week. Mrs. Tatum will visit at home with her mother, Mrs. A. H. Smith, for a time before returning to Pendleton.

Administrator Appointed.

The probate court has appointed Carl Jensen administrator of the estate of George Phillips, deceased, and has asked Steve Dons, H. Stewart and B. E. Kennedy to act as appraisers to estimate the value of the property.

To Portland Sanitarium.

Mrs. F. G. Oster, who has been seriously ill for the past three weeks, was taken to the Portland sanitarium this morning. Mr. Oster accompanied her and will remain in Portland for several days.

Marriage License.

A marriage license was issued this morning to Miss Elsie McCullough and Voss Fulford. Both parties reside in the vicinity of the Oliver place, down the river a few miles.

\$500 REWARD FOR WOMEN WHO CANNOT BE CURED.

Backed up by over a third of a century of remarkable and uniform cures, a record such as no other remedy for the diseases and weaknesses peculiar to women ever attained, the proprietors of Dr. Pierce's Favorite Prescription now feel fully warranted in offering to pay \$500 in legal money of the United States, for any case of Leucorrhoea, Female Weakness, Prolapsus, or Falling of Womb which they cannot cure. All they ask is a fair and reasonable trial of their means of cure.

The Vice-President Independent Order of Good Templars.

An experience which many women have related by Miss Agnes Stebbings, of 231 East 6th street, New York City, as follows: "I had very poor health for a year until life looked dark and dreary to me. Had headaches, backache, also pain, my sleep was broken and fitful. I longed for health. Tried several medicines but none were of any lasting benefit until I took Doctor Pierce's Favorite Prescription. I soon realized that I had found the right remedy. It helped nature to throw off the poisons that saturated the system, removed all pains and strengthened the digestive organs and brought the pieces of health back to my cheeks. This medicine it taken occasionally keeps the system in perfect condition, helping it to throw off the disease and consequences of exposure to dampness. I am pleased to give it my endorsement."

"Favorite Prescription" makes weak women strong, sick women well. Accept no substitute for the medicine which works wonders for weak women.

Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of 21 cent stamps for the paper-covered book, or 31 stamps for the cloth-bound. Address Dr. R. V. Pierce, Buffalo, N. Y.
