W. J. Clark & Co. this morning filed a mechanic's lien against the Bowman building for \$294.96, which amount is alleged to be due for material and work furnished by the company in putting on the cornice of the new hotel building. Just why the action was taken is not clear, as Bowman has been paying all of his accounts as the bills were presented to him.

### DEPENDS ON TEAMSTERS.

Handlers and Firemen's Strike Will Fall But for Them. New York, May 24.—The success or failure of the strike of the freight handlers and marine firemen on boats and piers of the New York, New Haven & Hartford railroad, seems to hinge on the attitude of the Teamsters' Association. All the strikers' places are filled. If the teamsters go out the situation will be badly tangled. The company refuses to discuss an emergency. All is quiet at the piers this morning.

## LA HUE LOST AN EYE

### PECULIAR ACCIDENT TO HELIX BLACKSMITH.

Cornea of Right Eye Seared by a Red-hot Iron Which Did Not Touch the Eye Lashes or Lid—is Suffering Greatly and an Operation May Be Necessary to Save the Other Eye—is at a Hotel and May Go to the Hospital.

Elmer La Hue, a well known farmer of Helix, lost the sight of his right eye this morning as the result of a peculiar accident.

La Hue was at work in the forge on his place, sharpening harrow teeth. While tapering the end of one it flew from the tongs and past his face, the point of the red-hot piece of iron scraping over the eyeball and destroying the sight.

The accident happened so quickly that La Hue did not have time to bat his eye, and neither lids nor lashes were burned in the least, though the iron was red hot and the tip seared a line across the cornea. The sight of the eye is totally destroyed and it may be that the ball will have to be removed, for the burn has caused inflammation which may spread to such an extent that an operation will have to be made to save the sight of the other eye.

After the accident La Hue came to Pendleton, where his eye was dressed and he was taken to the Hotel Bickers. If the eye gives much trouble he will be taken to the hospital, where he can have more conveniences for treatment.

### PILOT ROCK RALLY.

Democrats Hold a Rousing Meeting There Last Night With Numerous Speakers. Democratic candidates addressed a very good audience at Pilot Rock last night, and great enthusiasm was shown over the prospects for success. Judge Hartman, C. P. Strain and Dr. T. M. Henderson were the principal speakers. Judge Hartman gave a concise, business-like statement of county finances, showing the great saving made during his term of office and also, gave actual figures from county records showing the constant reduction of county indebtedness since he went into office.

Mr. Strain's policy is everywhere greeted with applause as well from republican as democratic voters and there is not the least doubt about his re-election at this time.

The statement that the Tribune commended him to the taxpayers two years ago, and is now knitting him for political reasons, brought out many unfavorable comments on that paper's weak stand.
