SKIN GRAFTING SUCCESSFUL.

Condition of Mrs. Nave Shows Marked Improvement.

When the burned wound on Mrs. Nave was dressed yesterday it showed great improvement, says the Walla Walla Union. The grafts on the arm have grown till at least half of the surface is covered. The cuticle looks healthy and grows together leaving no scar.

Mrs. Nave's general health is much improved, her suffering is greatly alleviated, and her strength is now increasing. She has been heroic all through this terrible suffering, and feels that her progress toward recovery is as rapid as possible, and notwithstanding the great suffering at the present, she is cheerful and hopeful.
