MALIGNITY OF THE NUMBER 13

ILLUSTRATED IN A NEW YORK ELECTROCUTION.

One Murder Was Committed February 13, and Another Thirteen Months Ago, and Both Prisoners Were Continuously in Prison Thirteen Months—The Men Were Electrocutted Thirteen Minutes Apart and Both Died on the Thirteenth Day of the Month.

Sing Sing, N. Y., June 13.—Albert Koeppling and Oscar Bergstrom were successfully electrocuted here this morning, the former at 5:55 and the latter at 6:07.

Thirteen figured largely, it being the thirteenth month of the condemned men's imprisonment, 13 condemned men were in the death house at one time.

Bergstrom murdered five persons 13 months ago, and 13 minutes after the first shock was given Koeppling, the current was turned into Bergstrom's body.

WILL BOYCOTT UNION MINERS

Perpetual Ban Placed at the Same Time on All Firms Who Employ Union Men.

LAST DEPORTATIONS TO TAKE PLACE TOMORROW.

Troops Will Be Withdrawn This Week—Portland Mine Will Not Be Allowed to Reopen if it Employs Union Men, and All Union Men Will Be Excluded From the District—General Bell Declares the Whole Trouble Due to the Socialists Controlling Miners' Federation.

Cripple Creek, June 13.—The situation in both districts this morning is practically normal. The authorities, both civil and military, expect no further trouble.

Another batch of unionists will be deported tomorrow, and this will wind up the military campaign of driving men from the district. Tomorrow the mineowners will issue a statement defining their position regarding unionism in this district.

Ban on All Union Miners.
 It is expected the ban will only be placed on the Western Federation of Miners and all other organizations to which the metalliferous miners belong.

The troops will probably be withdrawn from the district this week. Nearly all mines which closed Monday last after the independence explosion, resumed operations this morning. The Portland, the pride of Cripple Creek and the numerous other leases maintained by union men, will not be allowed to resume as long as the soldiers are here.

Bulldozing the Portland.
 When the Portland resumes it will be found that all union miners have been forced to leave camp, thus forcing that company to employ non-union help or remain closed indefinitely.

General Bell, in a statement on his action deporting the miners, attributes the recent troubles to the socialists in the Western Federation who captured the organization two years ago. "Socialism now is its fetish," Bell said.

CATHOLIC MISSIONARIES FLEEING FROM MANCHURIA.

Reinforcements for Kuroki, Who Will Force the Issue on Liao Yeng—Russians Abandon All Territory South of Niu Chwang—Chinese Spy From Port Arthur Says the Place Can Hold Out for Two Months and Their Only Hope Is Kuropatkin.

Niu Chwang, June 13.—It is reported the Russians have suffered a severe defeat as a result of an ambush at Pulanben (Publentien) to the rear of Port Arthur.

The Japanese attacked the Russians, then drew the latter on to a feigned retreat. The Russians were trapped, and are said to have lost 800 men killed and wounded. The Russians fell back on Kai Chow.

Catholic Missionaries Flee.
 Rome, June 13.—The Vatican is informed that a number of Catholic missionaries in Korea and Southern Manchuria, to escape persecution, have taken refuge aboard French, German and Italian warships and intended to claim indemnity.

Moving on Liao Yeng.
 Seoul, June 13.—Twenty thousand men have been sent to reinforce Kuroki, who is thought to be still at Feng Huan Cheng, and has pushed his advance guards among the hills.

It was these forces which Saturday at Mottling Pass encountered the Russians, who withdrew leaving an officer and six soldiers dead. The Japanese lost an officer and three men.

Kuroki's plan seems to be to deliver an attack on Liao Yeng simultaneously from the east and south.

Russians Retreating.
 Niu Chwang, June 13.—Two thousand Russian infantry passed through Niu Chwang Sunday from Kaichow, accompanied by ambulances filled with wounded. The troops were exhausted after a long forced march. An officer said they were retreating from Tschow.

The Russians have abandoned all positions for 80 miles south Niu Chwang.

Food for Two Months.
 Niu Chwang, June 13.—A Chinaman in the Japanese spy service, just returned from Port Arthur, says 30,000 men are there with many wounded, but food sufficient for two months. Their hope is that Kuropatkin will send an army south. The Port Arthur flour mill is grinding a cargo of wheat brought from Seattle in a French ship.

The coroner's inquest into the death of Caesar Young was held this morning. After hearing the testimony of Dr. Edwin N. Riggins, of the Hudson Street hospital, who attended Young, and Dr. Phillips O'Hanlon, the coroner's jury brought in a verdict simply stating that Young had died as the result of a pistol wound.

Mrs. Patterson, who was in the coroner's court when the inquest began, was removed when the coroner was notified of the finding of the indictment against her. Young's widow was present at the inquest.

TACOMA MASONS.
 They Dedicate a New Temple With Imposing Ceremonies.

Tacoma, Wash., June 13.—The new Masonic temple was dedicated in "due form" today, the ceremonies being more elaborate and imposing than any before seen in this city.

The dedicatory services began at 10 o'clock this morning and were of several hours' duration. They were conducted in accordance with the Masonic ritual by Grand Master Charles D. Atkins, assisted by other grand lodge officers.

Hackensack, N. J., June 13.—A conference of Acting Governor Wakefield and the Bergen county officials will be held at Trenton tomorrow in an effort to persuade the chancellor to reconvene the board of pardons for the purpose of commuting to life sentence Anna Valentine, who stabbed to death Rosa Salza, who taunted her after taking her lover. A desperate effort of the societies of women will be made to prevent hanging the woman.

EDWARD KIDDLE THINKS NO CAUSE FOR ALARM.

Depression in Cattle Market in Inland Empire is Only Temporary—After Range Cattle Are in Condition for Market Demand and Prices Will Be Better—There is No Overproduction and Markets Are Constantly Expanding.

Edward Kiddle of La Grande, one of the best known stock buyers in Eastern Oregon was in the city yesterday for a short time, en route to Portland to attend the Masonic meetings this week.

Mr. Kiddle is perhaps in closer touch with the business in Eastern Oregon than any other buyer in this district, and his opinion is worth quoting.

He believes that the low prices now prevailing in the cattle market are only temporary, and that after the range stock are in condition to turn off, prices and markets will be better. He thinks there is no cause for alarm among cattle men, even though there is no market at this time.

It is now very quiet all over the inland Empire, in the cattle business, but there is no overproduction of cattle, and the markets are constantly expanding. Alaska and the Orient creating a constant and increasing demand for American, and especially Pacific coast products.

KILL ARMENIANS BY THOUSANDS

"The Unspeakable Turk" is Advancing the Banners of the Prophet Mahomet.

SLAUGHTER ORDERED BY IRADE FROM THE SULTAN.

Seven Thousand People Put to Death and Vast Quantities of Christians' Property Destroyed—Resettlement of Devastated Village Forbidden, and a Vast Region is Terror-stricken—Further Massacres Feared in Other Districts, and Are Probable.

Constantinople, June 13.—The Armenian Patriarchs have received information that the irade issued by the sultan resulted in a wholesale massacre and destruction of Armenian property.

The irade prohibits the resettlement of Armenians in the villages destroyed.

May 15 and June 3 15 villages were destroyed in the district of Chotass, and 22 in the district of Chotava, and 22 in the district of Pluhava. Half the population, aggregating 5000 and 2000, were killed.

Massacres are feared in many other places, and shops have been closed for three days past at Bitles, while at Diarbekir and Sassoun reserves have been sent for by the authorities to suppress disorder.

Chicago Grain.
 Chicago, June 13.—New July opened 86½, closed 87½; old July opened 85½, closed 86½. July corn opened 48½, closed 49½.

HAY CROP GOOD.
 Eastern Oregon Will Harvest a Large Yield of Wild and Tame Hay This Year.

Warren Chandler, of Elgin, a prominent cattle and hog buyer, passed through Saturday night en route to Portland, with three carloads of hogs.

Mr. Chandler says the wild hay crop in the foothills districts of Union, Baker and Wallowa counties is better this year than for many years before and range is also in excellent condition. The mountain streams have been full all spring and the dry land has been irrigated as it has not been for several years.

The old hay crop has been fed out completely during the last two winters and farmers have sold stock down to the bare margin that could be supported with safety on a short crop.

With a good crop of hay again this year he looks for a large amount of stock to be held over and hopes the output of export cattle will be brought up to the old standard next year.

FEELING AGAINST WILLIAMS.

HAS A FINE PLACE.
 Joe Parkes Highly Pleased With His Farm.

Joe Parkes returned last night from a week's visit at his homestead on Cable creek, in the Camas prairie country. Mr. Parkes went to his homestead to make some improvements, and also to vote.

He is greatly pleased with the farm which he is carving out of the woods, and is certain that it will and does produce some of the finest trout in the whole of Eastern Oregon. The dimensions of some of the fish caught were given, but space precluded the possibility of repeating them.

Strawberries retail in Eugene at 50 cents per crate. Lane county has a bumper crop of berries.
