mile west of Colfax. There are nearly 100 tents of campers and two large tabernacies, in which services are held almost continuously. In one of the tabernacles services in English are held, and in the other services are in German. The meetings well attended, and much interest is being manifested. They will continue indefinitely. A number of ministers are in attendance from all parts of the Inland Empire.

Why Not Pendleton?

E. J. Merrill and Charles Pand who have formed a co-partnership under the name of the Boise Knitting Mills, have commenced active opera tions and the hum of the machinery so between the amounts received can now be heard. They have four machines which are used exclusively in the no aufacture of garments and four machines for the manufacture of hosicry. Besides those one zigzag machine is used in sewleg the garments together

> The company only works on orders but already agents are sending in a sufficient number of orders to keep the machines busy.—Boise Capital News.
