We favor such legislation as will encourage and build up the American merchant marine, and we cordially approve the legislation of the last congress which created a merchant marine commission.

A navy powerful enough to defend the United States against attack, to uphold the Monroe doctrine, and to watch over our commerce is essential to the welfare of the American people. To maintain such is the fixed policy of the republican party.

Exclusion of Chinese.

We cordially approve the attitude of the present congress regarding the exclusion of Chinese labor and promise the adherence of the republican party to that declaration.

We renew our former declaration that the civil service law is to be enforced.

We favor a liberal administration of the pension laws, and peaceful settlement of international differences by arbitration.

The just and equal protection of all citizens abroad is pledged.

Our great interests and growing commerce in the Orient render the condition of China highly important. We cordially commend the policy pursued in that direction by the administrations of McKinley and Roosevelt.

Congressional action to obliterate special discrimination in the elective franchise is favored. We demand that representation in the congress and the electoral college be proportionately reduced.

FIRST DAY OF SPORT

FIFTEEN SQUADS OF FIVE MEN EACH ARE LINED UP.

Drake, of San Francisco, is Associated in the Immediate Management—Many Tented Headquarters—Twelve Events Are Scheduled for the First Day—Complete Roll of Squad Membership Given Below.

The 20th annual tournament of the Sportsmen's Association of the Northwest opened this morning on the grounds of the Pendleton Sportsmen's Association at 9 o'clock, with 15 squads of five men each, lined up ready for the fray.

The tournament is under the management of the Pendleton club, the members of which have exclusive charge of the events. They are assisted by E. E. Drake, of San Francisco, the coast representative of the U. M. C. Company, and of the Remington Arms Company.

The tournament grounds present the appearance of a small village, there being tented headquarters scattered here and there where the Spokane Rod and Gun Club, the Winchester Arms Company, the U. M. C. people and other gun clubs and arms companies have their resting places.

The ladies of the Presbyterian church have a large tent erected back from the grounds where they are serving meals to the hungry and are making money fast.

Charles C. Berkeley is in charge of the scores, and is the busiest man in the bunch. He is assisted by Fred Hartman, and it takes the two of them to keep track of the results as they are reported from the four sets of traps that are being constantly used.

Twelve Events Today.

There are 12 events scheduled for the first day of the tournament, including three trophy events, the Anacoda cup, now held by I. Dornberg, of Spokane, the Multnomah medal, now held by A. P. Biglow, of Ogden, Utah, and the Brownlee trophy, held by E. F. Confarr, of Livingston, Mont.

The scores of the day have been pretty fast, but not so high as would have been the case had it not been for the wind.

To the Pendleton men it did not make so much difference, for they are used to it; but for the men from the valley and from the sections of the country where high winds are not so common, it was quite a disadvantage, and some of the best men in the list fell down on what they expected to do.

The squads were chosen last night and yesterday, and the men drew for places, the unlucky "13" falling to the Heppner bunch, consisting of Wilson, Frank Roberts, Lee Matlock, Patterson and Ayres. The squads are mixed and do not represent the different clubs and cities as was expected at first would be the case. This is due to the irregular number of men who attended from each place, and the necessity of filling in.

FROM THE INTERIOR.

Salem Men May Invest and Locate in Central Oregon.

H. J. Workman, of Salem, was at the Hotel Bickers today on his return home after a visit in the interior of the state.

Mr. Workman was for some time the head farmer at the Cottage farm, the rural annex to the state insane asylum, where the state has 1200 acres of land under cultivation. Some time ago the position was abolished, since which time Mr. Workman has been engaged in other business in Salem. He was accompanied by J. K. Nash, a well known Salem resident. Both have been in the interior looking over the country with a view of locating permanently.

A flower in the sick room is better than a bouquet on the grave.

The squads as chosen are as follows:

- 2—E. E. Ellis, W. M. Stewart, Charles Hood, H. T. Doham, J. H. McDonald.
- 3—G. L. Becker, F. C. Stephens, F. C. Hindle, G. B. Baker, Frank Howe.
- 4—Beck, Chungreen, Forbes, Dornberg, F. H. White.
- 5—G. W. Gibson, C. C. Nauman, A. J. Webb, R. C. Reed, C. A. Wright.
- 6—McMillan, F. M. Bybee, Downgoole, Nell, Berg.
- 7—E. J. Confarr, G. E. Dickson, Matt Orr, J. H. Van Gesen, E. N. McDonald.
- 8—F. A. Brigham, S. R. Thompson, N. J. Sewell, Carter, Brockbank.

- 10—F. Brown, P. Shields, S. E. McDonald, C. D. Ellis, F. Loyadon.
- 11—H. J. Stillman, F. W. Waite, D. C. Clark, J. M. Spence, W. H. Hoch.

BOARD MEETING.

E. L. Smith Sworn in—Next Business Session Next Week.

The school board met last night to canvass the vote of the election held last Monday, and formally declared E. L. Smith to be a member of the board of directors. Mr. Smith was present at the meeting, and was sworn in as a member.

Outside of the canvassing there was no business transacted. The next meeting will be held some time during next week, when further attention will be paid to the building contracts for the new buildings and towards the purchase of the site for the east end school house.

TEN CARS SHEEP.

Will Be Pastured This Season and Sold Next Fall.

John Howard, the Minnesota sheepman, who has been in town for a couple of weeks gathering together a shipment of sheep for the eastern market, shipped 10 cars over the W. & C. R. this morning for the ranges of North Dakota. The sheep will be kept on these ranges until fall, when they will be shipped into Chicago and sold on the markets there.

The consignment was made up from the bands of Ernest Evans, A.

Perard, Chris Nelson, Charles Matthews and Otto Reiman. They should have been shipped Monday, but were delayed by the band to be brought in by Perard becoming mixed with another lot on the road in.

Mr. Howard paid from \$1.70 to \$1.75 for the lot. He will return about the middle of July for another trainload.

LEWIS RESIGNED.

Colorado Man Will Succeed Him With the O. R. & N.

E. L. Lewis, who has been billing clerk at the O. R. & N. freight office for some time has resigned his position to take one of a similar nature in the office of the company at Walla Walla. Mr. Lewis has made many friends here who are sorry to see him leave, and who wish him all success in his new field.

The place left vacant by Mr. Lewis has been filled by the appointment of E. M. Holtz, of Salida, Col., who was employed in the railroad offices of that city.

For Pendleton Academy.

Revs. W. H. Bleakney and Robert Diven are now on a trip to the Upper McKay and vicinity, in the interest of Pendleton Academy. The outlook for students for the coming term is very bright, and the attendance will be greatly increased for the future owing to the increased interest from all sources. The Presbyterian churches of Eastern Oregon are showing great concern in the Academy, and Rev. Bleakney will make an extended tour of the Eastern Oregon counties in its interest in a short time.

Oregon Cattle to Billings.

Rev. W. S. Holt, who has just come in from a trip through Central Oregon, met J. E. Reynolds on his trip, who is buying cattle in Central Oregon for the Billings range. Mr. Reynolds started into the interior at Blalocks on the Columbia river and has made a circuit of about 300 miles into the stock country, and now has 900 head of fat steers ready for shipment from Baker City, in a few days. He will ship them to Billings, from where they will be distributed to the various markets, when needed.

Gold Winds Do Damage.

B. E. Kennedy, who returned last night from an extended visit through the Helix wheat belt, says a cold wind of the past few nights has done some damage to the ripening crops in that section. The damage is very slight and will not be felt in the final returns from the harvest.

Barnes-Smith.

William P. Smith and Amanda Belle Barnes were married at the Presbyterian manse by Rev. W. L. Van Nuy at 8 last evening, in the presence of a few intimate friends. Mr. and Mrs. Smith will make their home for the summer near the head of the north fork of McKay creek.

Bought 4,000 Mutton Sheep.

L. D. Hoy, the sheepbuyer for the Frey-Bruhne company, has been in town for a few days and yesterday bought 4000 head of mutton sheep from William Slusher. The sheep will be delivered at this point and shipped to Seattle in the near future.

New Mormon Band.

A new band comprised of members of the Mormon church is being organized in La Grande. Many of the Mormon settlers are educated musicians and the church makes a specialty of music in all its services.

Inspected Sheep.

Dr. E. N. Hutchinson returned to his headquarters in Portland this morning after a short visit here. Dr. Hutchinson came to inspect the sheep shipped out by John Howard this morning.

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
