# REV. POTWINE MAY RETURN

### CALLS THE FORMER PASTOR WITH INCREASED SALARY.

#### Mr. Potwine Fails to Locate at Charge—Been Doing Missionary Work Among Chinese and Japanese—Enjoy Fairly Good Health.

It is probable that Rev. W. E. Potwine will return to Pendleton, a call to return at an increased salary having been extended to him by the vestry here, which offers him \$1200 to return to his old charge, which was his first pastorate, and where he labored so long and earnestly for over 20 years.

Mr. Potwine failed to locate at the charge he expected when he went to the islands, and for some time has been doing missionary work among the Chinese and Japanese in Honolulu. In this work he has been rarely successful, in spite of the fact that it is an extremely unprofitable field from a spiritual standpoint. The field needs the greatest devotion on account of the condition of the Chinese and Japanese, who are among the least intelligent of any of those races to be found anywhere.

The Potwines are in good health, with the exception of the old gentleman, who has found the climate of the islands enervating. Rev. Potwine is in excellent health, the health of Miss Ida Potwine has improved considerably.

At Honolulu Mr. Potwine's work is not all missionary, as he has a small congregation of regular communicants belonging to the Episcopal church, but a large proportion of his labors are missionary, as referred to, and the work is not altogether congenial. He receives for this combination of services the same salary—\$1200—offered him by the Pendleton vestry to return.

Mr. Nolf was for some time employed on the East Oregonian, and left here about 10 years ago.

Fresh testimony in great quantity is constantly coming in, declaring Dr. King's New Discovery for Consumption Coughs and Colds to be unequalled. A recent expression from T. J. ### Beware of Ointments for Catarrh That Contain Mercury.

Mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, contains no mercury and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure to get the genuine. It is taken internally and is made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Sold by druggists, price 75c per bottle. Take Hall's Family Pills for constipation.

### Special Excursion to the World's Fair

The Denver & Rio Grande, in connection with the Missouri Pacific, will run a series of personally conducted excursions to the World's fair during June. These excursions will run through to St. Louis without change of cars, making short stops at principal points en route. The first of these excursions will leave Portland June 7th, and the second June 17th. The rate from Pendleton will be \$60.00 to St. Louis and return. Excursionists going via the Denver & Rio Grande have the privilege of returning via a different route. This is the most pleasant way, as well as the most delightful one, to cross the continent. The stops arranged give an opportunity of visiting the various points of interests in and about Salt Lake City, Denver and Kansas City. If you wish to accompany one of these excursions write at once to W. C. McBride, 124 Third street, Portland, for sleeping car reservations.
