IN CIRCUIT COURT.

One Sentence and Several Criminal Cases Postponed.

Warren Stevens was arraigned on the charge of stealing several head of horses from C. B. Barber, a farmer located northwest of this city. He was given until next week to plead.

A NICE ENTERTAINMENT.

Was Profitable to Baptist Church and Highly Enjoyed.

There was an excellent attendance at the Baptist church entertainment last night, and the proceeds were very gratifying to the younger members, who have pledged themselves to pay off \$50 of the church debt. The program was carried out in full, as previously published.

The vocal performance of Miss Mitylene Fraker was a surprise to those who had not heard her sing since her return from McMinnville college. She has a rich, flexible contralto voice, and at the expiration of the program was congratulated on the improvement she has made during the last year. She was encored several times.

Finlander Killed at Unity.

A Finlander named Sam Hoagland, fell under the wheels of a moving freight train on the O. R. & N. near Unity, in Baker county, Friday morning, and was mangled so he died 40 minutes after the accident. He attempted to climb under a car to get on the rods, while the train was moving slowly around McKeever's curve, one mile west of Unity, when he lost his footing and was run over, both legs being severed above the knees, his breast crushed and otherwise injured. Brakeman William Wade saw the accident and immediately stopped the train. The corpse was put in the caboose and brought to Baker City, where an inquest was held and the train crew exonerated from all blame. Brakeman Wade was in the city today bound east on No. 24, and says that the report wired to the Portland papers that the man was kicked off the train was absolutely false. The fireman saw the man attempt to get on the train and gave the first alarm that he had fallen under.
