reflected from perfect teeth can easily be destroyed by improper dentifrices. There are many preparations that will whiten teeth, but few that preserve the enamel while they whiten.

Dentifoam

saves teeth while it beautifies them. It arrests decay, hardens the gums, removes discolorations, sweetens the breath—and stops there.

INDIAN MINISTER

VETERAN NEZ PERCE MISSIONARY RETURNS HOME.

Rev. James Hayes, of Kamiah, Idaho, who has preached to the Umatillas, speaks of prospects of the tribe—regrets the whiskey selling seen here—thinks the community is held responsible for the traffic in whiskey among the Indians—his own tribe is the most advanced in the Northwest.

Rev. James Hayes, the full-blooded Nez Perce Indian, who has assisted Rev. J. C. Cornelison, in religious services on the Umatilla reservation, during the past week, returned to his home at Kamiah, Idaho, this morning.

Rev. Hayes has been in the ministry for the past 18 years, having been educated on the Nez Perce reservation. He is a resident missionary at Kamiah, but spends about three months of each year visiting with the different tribes in the Northwest, in the interest of the church, and is an active and intelligent missionary. He speaks in the Nez Perce tongue through the interpreter.

He believes that the Umatillas are rapidly changing for the better, and if it were not for the low whites and half-breeds who sell them whiskey, would soon be one of the most intelligent and prosperous tribes remaining in the Northwest.

He regrets to find so much whiskey selling on the Umatilla reservation, and said he had seen more drunkenness among the Umatillas within the past week, than he had seen on the Nez Perce reservation in five years.

He believes the community is held responsible for permitting the dives to exist in this city, which furnish whiskey to the Indians and advise active steps to suppress the traffic.

In the Nez Perce tribes are about 1700 Indians, 500 of whom are members of some church, a larger proportion of church membership than exists among the whites in any community of the Northwest. Most of the church members are active workers, many of them leading class meetings, Sunday schools and other religious exercises. The tribe is composed principally of farmers, many of them owning the finest homes in Northern Idaho, having fine stock, orchards, fancy driving teams, fine carriages and all the comforts and conveniences of life.

He believes the removal of the Carlisle school from Pennsylvania to Helena, Mont., will stimulate a greater attendance from Western tribes, as the distance to Carlisle was so great and the social conditions so vastly different from those of the West; that it discouraged many young Indians from going there.

While attending the meetings on the reservation during the past week, he spoke every day to the Indians, and is glad to see the Presbyterian Indian church there growing so rapidly and spoke in the highest terms of the work of Rev. J. C. Cornelison. Rev. Cornelison has the confidence of the Indians and is an effective missionary. Rev. Hayes has recently visited the Colville, Spokane, Flathead and Shoshone tribes and finds the Umatillas making more material progress than any of the others.

To Resume Schafer Murder Inquiry.

Bedford, Ind., July 11.—The Lawrence county grand jury which convened today is expected to resume the investigation of the Sarah Schafer murder case, for which James McDonald was tried and acquitted several months ago. Since the acquittal of McDonald there have been many rumors of new clues and important discoveries in connection with the case, but as a matter of fact, it is generally believed that the atrocious murder of the pretty school teacher is as far from solution now as when the crime was first discovered nearly a year ago.

"Trib" Beats Anything I Ever Heard of.

Falls City, Neb., April 17, 1904. About you "TRIB" I want to say it beats anything I ever heard of as a cure for the liquor and tobacco habits as well as to give strength to one's nerves. I took "TRIB" about a year ago and will always speak a good word for your treatment wherever I can. I have seen enough of "TRIB" to know that if a man wants a cure of liquor and tobacco he can get it with "TRIB." Respectfully,

S. B. BEAN.

BABY'S VOICE

Is the joy of the household, for without it no happiness can be complete. How sweet the picture of mother and babe, angels smile at and commend the thoughts and aspirations of the mother bending over the cradle. The ordeal through which the expectant mother must pass, however, is so full of danger and suffering that she looks forward to the hour when she shall

feel the exquisite thrill of motherhood with indescribable dread and fear. Every woman should know that the danger, pain and horror of child-birth can be entirely avoided by the use of **MOTHER'S FRIEND**, a scientific liniment for external use only, which toughens and renders pliable all the parts, and assists nature in its sublime work. By its aid thousands of women have passed this great crisis in perfect safety and without pain. Sold at \$1.00 per bottle by druggists. Our book of priceless value to all women sent free. MOTHER'S FRIEND

Truly Wonderful

Has been the trade at our little store. People realize that the size of the store, the number of clerks employed or the size of the stock carried has nothing to do with the money saving values given. Its the quality of the goods and the low prices placed on each article that counts.

The compulsory sale means a great deal to the buyers of clothing. It means the best suits at lower prices than ever quoted in Pendleton.

This shipment of clothing sent us through an error on the part of the factory before we are ready for it makes it imperative that we get rid of it at once. In order to dispose of a large shipment like this it is necessary to give great inducements and make the prices so low and the values so big that people will be compelled to buy because the bargains are irresistible.

OUR OFFERS ARE IRRESISTIBLE

And people who have called have found the greatest, grandest and most convincing money-saving prices ever offered in Eastern Oregon. We propose to close out every article by the end of this month. Clothing and furnishing goods. Its up to you to take advantage of this sale.

The manufacturers of the clothing who made the error, wired us to get rid of the goods and charge the loss to them.

Don't hesitate, but come in and see this magnificent line of clothing and separate trousers. The price is the main thing to you, but on that score we are positive to please you.

THE REMOVAL SALE

Prices on furnishing goods are more wonderfully low than ever. We are doing it. Come in and see.

KAHKI SUITS \$1.00
