QUITS DEMOCRATS

AVERY C. MOORE, OF IDAHO, JOINS REPUBLICANS.

Says the Wall Street Inspired Candidacy of Parker is Abominable—He Prefers the Americanism of Roosevelt and Borah—Many More Western Democrats Will Follow His Steps.

A special to the Lewiston Tribune from Grangeville, Idaho, gives the following account of the departure of Avery C. Moore, a prominent politician, from the democratic ranks:

"Avery C. Moore, member of the legislature from Idaho county, has left the democratic party and has joined the republicans. This announcement was made today by Mr. Moore to a large number of citizens, and when seen by the Tribune reporter, he confirmed the report. As ground for a change in his political belief and affiliations, he authorized the Tribune reporter to say:

"The Wall street inspired candidacy of Parker and the inquisitorial politics of Dubois are more than I can assimilate. I prefer the Americanism of Roosevelt and Borah."

"That Mr. Moore has changed his politics comes as no surprise to the leaders of the democratic party here. For several days it has been suggested he was about to take the step.

"Mr. Moore is well known in the state on account of the prominence he secured in the last session of the legislature. He was also a prominent candidate for the congressional nomination on the democratic ticket two years ago, being defeated for nomination by Joseph Hutchinson.

"He is a public speaker of much ability. Mr. Moore has been prominent in the faction fights of the party in Idaho county for the past four years, and was known as the leader of the Moore wing of the party. Of late he has strongly opposed the Dubois-Heitfeld control of the party in the state, claiming that it was a mixture of populism and anti-Mormonism instead of democracy.

"He recently returned here from a trip in the East and announced that he would begin the publication of the Inland Democrat, a democratic paper. With his change of projects, however, this project has been abandoned. It is believed that Mr. Moore will be asked to stump the state this fall for the republican ticket.

"Mr. Moore has also been a conspicuous figure in the state as the supporter of the labor union contentions and he has a large following in labor circles. He made the fight in the last legislature for the eight-hour law and has frequently delivered addresses at the labor demonstrations.

"Mr. Moore is also very ambitious as regards public office and has had an up-hill fight in the democratic party. It is not improbable that aside from the strong views he holds in opposition to the Dubois democracy, he also feels that the republican party offers better opportunities for reward to a young man who is ambitious to remain in public life.

Many other Idaho democrats will follow Mr. Moore's example.

Night Was Her Terror.

It's absolutely guaranteed to cure coughs, colds, la grippe, bronchitis and all throat and lung troubles. Price 50c and \$1.00. Trial bottles free at Tallman & Co.'s drug store.

YOUR HAT

May Be a Stylish One, But It Makes Trouble.

A man usually buys a hat that's "in style," but the modern hat for men has lots to answer for.

Baldheads are growing more numerous every day. Hats make excellent breeding places for the parasitic germs which sap the life from the roots of the hair.

When your hair begins to fall out and your scalp is full of dandruff it is a sure sign that these countless germs are busily at work.

There is but one way to overcome the trouble and kill the germs—that way is to apply Newbro's Herpicide to the scalp—it will kill the germs and healthy hair is sure to result.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

of this resort today were scores of men of prosperous appearance and distinguished from the others in the crowd by the bright red fezzes that crowned their heads and afforded little protection to the burning sun. These visitors formed the advance guard of the host of pilgrims that are converging on Atlantic City for the annual meeting of the Imperial Council, Nobles of the Mystic Shrine, which is to begin its sessions tomorrow.

It will be the thirtieth annual meeting of the ancient and Arabic order, and from all indications it will be one of the most successful ever held. The faithful will attend in large numbers from all of the eastern states and good-sized parties are also on their way from Texas, Colorado, California, Minnesota, Iowa, Indiana, Ohio, Missouri and other states. There is considerable business to be transacted during the three days of the meeting, but the program has been so arranged as to leave ample time for the delegates and their ladies to enjoy the pleasures of the seashore.

IOWA COUNTY ATTORNEYS.

They Will Be in Convention for Two Days at Ottumwa.

Ottumwa, Iowa, July 12.—Nearly every county of the state is represented at the annual meeting of the Iowa State Association of County Attorneys, which began at Ottumwa today. President U. G. Whitney of Sioux City, called the meeting to order and delivered his annual address. Seneca Cornell welcomed the visitors and Joe Morton, of Sheldon, responded.

During the two days' session J. A. Devitt, of Oskaloosa, will read a paper upon "Desirable Changes in the Criminal Laws," and L. J. Kirkland of Vinton, will discuss the question, "Should There Be a Law Permitting Amendments to Indictments?" Other papers and addresses will be presented by county attorneys from different parts of the state and by other prominent members of the state bar.

GEORGIA BANKERS.

Will Discuss Financial Issues From Their Standpoint.

Chattanooga, Tenn., July 12.—Several scores of representative bankers and financiers were present this morning at the opening of the thirteenth annual convention of the Georgia Bankers' Association at Lookout Mountain. The meeting was called to order by President S. B. Brown, of Albany, whose annual address was the initial feature of the program.

Following the address of the president the convention listened to the reports of the other officers and of the standing committees. Clark Williams, vice-president of the United States Mortgage & Trust Company of New York city, read a paper on the subject, "An Element of Danger to Banks in Municipal Bonds as Security," and A. Kavanaugh, assistant cashier of the National City Bank of New York City, concluded the morning session with an address on safe and unsafe banking. This afternoon the bankers paid a visit to the National cemetery at Chickamauga Park. The convention sessions will conclude tomorrow.

Deafness Cannot Be Cured.

By local applications as they can not reach the diseased portions of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that can not be cured by Hall's Catarrh Cure. Send for circulars free.

Was an Inveterate Drunkard for 20 Years.

La Grande, Ore., May 7, 1904.

Your request for a reference about "TRIB" received and will give you the words of praise that your treatment deserves, and that is much. My son was a hard drinker and tobacco user for 20 years and has taken many advertised cures for both liquor and tobacco, but never stayed with it longer than one month at any time until I got "TRIB" for him. He took "TRIB" about 10 months ago and has not used either since the fourth day he commenced to take your treatment. He has gained 20 pounds and is home with me every night he is in town. You may use my name to tell people that "TRIB" is all you claim of it. Yours truly,

MRS. JAMES S. WATSON.

To be a successful wife, to retain the love and admiration of her husband should be a woman's constant study. She would be all that she may, she must guard well against the signs of ill health. Mrs. Brown tells her story for the benefit of all wives and mothers.

"DEAR MRS. PINKHAM:—Lydia E. Pinkham's Vegetable Compound will make every mother well, strong, healthy and happy. I dragged through nine years of miserable existence, worn out with pain and weariness. I then noticed a statement of a woman troubled as I was; and the wonderful results she had had from your Vegetable Compound, and decided to try what it would do for me, and used it for three months. At the end of that time, I was a different woman, the neighbors remarked it, and my husband fell in love with me all over again. It seemed like a new existence. I had been suffering with inflammation and falling of the womb, but your medicine cured that, and built up my entire system. I'll I was indeed like a new woman.—Sincerely yours, Mrs. CHAR. F. BROWN, 21 Cedar Terrace, Hot Springs, Ark., Vice President Mothers' Club.—\$5000 forfeit. If original of above proving genuineness cannot be produced.
