

WOMEN IN CONTEST

CATHOLIC WOMEN'S SOCIETY MEETING IN ST. PAUL.

Benevolent Association of the Catholic Church of the United States, Governed Exclusively by Women, Holding a Spirited Convention—Contest for Presidency Promises to Be Hot—Archbishop Ireland Deliver an Address.

St. Paul, Minn., July 19.—The Ladies' Catholic Benevolent Association, a fraternal insurance society with a large membership, and which enjoys the distinction of being managed entirely by women, began its triennial convention in St. Paul today. Previous to the opening of the business sessions the delegates attended high mass at the cathedral.

An interesting feature of this part of the program was the joint participation of Archbishop Ireland and Bishop McQuaid of Rochester, it being the first time that the two prelates have appeared together in public since the memorable controversy of several years ago growing out of Bishop McQuaid's criticism of the St.

Paul prelate for the latter's political utterances. At the exercises in the cathedral this morning Archbishop Ireland preached the sermon and Bishop McQuaid took part in his capacity as supreme spiritual adviser of the Ladies' Catholic Benevolent Association.

The convention was regularly opened in the People's church this afternoon with the president of the association, Mrs. E. B. McGowan of Buffalo, presiding. Addresses were made by Archbishop Ireland, Governor Van Sant and Mayor Smith. Following the formal opening the convention went into session behind closed doors for the consideration of business connected with the affairs of the association.

A spirited and almost acrimonious contest has developed for the presidency of the organization. Mrs. McGowan, the incumbent, has announced her candidacy for re-election and is opposed by a large element who favor the candidacy of Mrs. Mary E. Costello of Brooklyn. Mrs. McGowan has come in for considerable criticism in connection with her efforts to hold on to the office of president.

In the last convention of the order, held at Detroit three years ago, Mrs. McGowan defeated Mrs. Popp of Pittsburgh, by 200 votes. In accepting the office she declared to the delegates present that she would never again allow her name to be presented for re-election.

DeWitt's Little Early Risers are small, easy to take, easy and gentle in effect, yet they are so certain in results that no one who uses them is disappointed. For quick relief from biliousness, sick headache, torpid liver, jaundice, dizziness and all troubles arising from an inactive, sluggish liver, Early Risers are unequalled. Sold by Tallman & Co.

Harmony in Iowa G. O. P.

Des Moines, Iowa, July 19.—Harmony will be the distinctive feature of the republican state convention which meets here tomorrow to name candidates for secretary of state, treasurer, auditor and the other state officers to be chosen at the next election. Talks with the delegates already arrived in the city indicate that the entire ticket will probably be named by acclamation, with the exception of railroad commissioner, for which place there are several aspirants. For

the remaining offices the present incumbents will all be renominated. The convention will adopt resolutions strongly indorsing Roosevelt and Fairbanks for re-election and commending the platform of the Chicago convention.

Weak Hearts

are caused by indigestion. If you eat a little too much, or if you are subject to attacks of indigestion, the stomach expands—swells, and puffs up against the heart. This crowds the heart and shortens the breath. Rapid heart beats and heart disease is the final result. Kodol Dyspepsia Cure digests what you eat, takes the strain off the heart, cures indigestion, dyspepsia, sour stomach and contributes nourishment, strength and health to every organ of the body. Atlantic City Horse Show.

Atlantic City, N. J., July 19.—Boating and bathing, and even the pleasures of promenading on the board walk was largely abandoned today while society and the resorters in general flocked to Inlet Park for the opening of the sixth annual exhibition of the Atlantic City Horse Show Association. To use a hackneyed phrase the show this year surpasses all of its predecessors. This is especially true as regards the entries in a large number of classes, including the tandems, four-in-hands and saddle horses. The show will continue until the end of the week.

South Dakota Tennis.

Sioux Falls, S. D., July 19.—The second annual tournament of the South Dakota State Tennis Association, which began here today, promises to be a highly successful event. A. N. Hoffman of Parkston, the present state champion, is on hand to defend his title. The other contestants include crack players from Brookings, Huron, Madison, Mitchell, Salem and other cities and towns throughout the state.

Piles Upon Top of Piles.

Piles upon piles of people have the piles, and DeWitt's Witch Hazel Salve cures them. There are many different kinds of piles, but if you get the genuine original Witch Hazel Salve made by E. C. DeWitt & Co. of Chicago, a cure is certain. H. A. Tisdale of Summerton, S. C., says: "I had piles 20 years and DeWitt's Witch Hazel Salve cured me after everything else failed." Sold by Tallman & Co.

THE ANTLERED HERD

ELKS' GRAND LODGE MEETING IN CINCINNATI.

Parade Tomorrow in Which 15,000 Will Participate—Grand Reunion of the Order is Being Held Amid the Heartiest Fraternal Enthusiasm—The West Has Led in the Organization of Big Lodges of the Order.

Cincinnati, O., July 19.—Thousands of members of the Benevolent and Protective Order of Elks are here from every prominent city in the country to attend the annual meeting of the grand lodge and reunion of that order, which began today and will continue throughout the week. Tomorrow there will be a grand parade, in which it is expected 15,000 Elks will participate.

The opening exercises were held today in Music Hall, which was crowded with badge-bedecked Elks and their ladies when Walter D. Buckner, D. D., the grand chaplain, arose and offered prayer.

Exalted Ruler August Herrmann of Cincinnati Lodge No. 5, made the opening address of welcome. He was followed by Mayor Julius Fleischman, who welcomed the Elks to Cincinnati. Governor Myron T. Herrick welcomed the visitors in behalf of the state of Ohio. Joseph T. Fanning of Indianapolis, grand exalted ruler, responded.

In the course of his remarks Mr. Fanning stated that the progress of the Elks in the last year had never been equaled in the history of the organization. This progress, he explained, had manifested itself not only numerically but internally in the development and perfection of those ideals for which the organization stands.

In the West the order has been especially progressive and energetic during the last 12 months, which energy has manifested itself in the formation of big lodges and the erection of many handsome lodge buildings.
