MASS MEETING MONDAY NIGHT

TOM RICHARDSON WILL ADDRESS PENDLETON CITIZENS.

Manager of Portland Commercial Club Will Explain the Meaning, Aims and Scope of the Mass Meeting to Be Held in Portland on August 2 and 3 for the Organization of a Development League—Is a Hard Worker and Able Speaker—Large Attendance is Urged.

That the business men of Pendleton may know exactly the object and scope of the mass meeting to be held in Portland, on August 2 and 3, for the organization of the Oregon Development League, Tom Richardson, manager of the Portland Commercial Club, will address a mass meeting of citizens at the parlors of the Commercial Association at 8 o'clock, next Monday evening, July 25. Mr. Richardson is the prime mover in this great industrial and commercial agitation, and will explain and fully portray the meaning of the Oregon Development League, its purposes, aims, powers, usefulness and strength.

The business men and all citizens of this community are urged to attend the meeting on Monday night, as Mr. Richardson is an able, enthusiastic, well informed man on the organization and management of such enterprises, and the information gained from his talk will be valuable to the city. Meetings of this kind are now being held throughout the state with the best of results. One of the best meetings ever assembled in Salem, was held in the interest of this movement last week, and resulted in the appointment of a large delegation to Portland.

Pendleton and Umatilla county will be represented in the Portland meeting by 30 appointees, most of whom, if not all, will attend. That these delegates may know and understand the purposes and intents of the meeting, in advance, Mr. Richardson is making a tour of the state to address the different communities and urge attendance.

Judge Bean and President Borie, of the Commercial Association, have each appointed 10 delegates and Mayor Matlock will appoint 10 more, and it is hoped to secure a full attendance of these combined delegations at the Portland meeting.

It is not a selfish, local movement. It is for the benefit of Oregon, for the purpose of developing and settling the state, and the Oregon Development League will occupy the same position in Oregon that the Commercial Association occupies in Pendleton. The Commercial Association urges a large and representative attendance at the meeting Monday night.

Hand Badly Injured.
John Stricker, an employe of the Cooley & Pierce Company, yesterday lacerated his left hand on a sack hook appended to a combine which he was working upon. He slipped and fell, and as he went down reached out and grabbed at the machine to stay himself. As a result, his hand caught on the sack hook, which tore through the ligaments and muscles back of the little finger, nearly tearing that member from the hand. It is a dangerous and painful wound, with more than an even chance that he loses the finger and has a crippled hand for life. The wound was dressed by Dr. McFall.
