Longest Beard in the World.

The beard of Valentine Tapley is almost twice as long as he is tall, and he is proud of his peculiar dis-tinction. He lives at Frankfort, Mo., and the beard, which is the longest in the world, is more than 11 feet in length. It has remained untrimmed since the Civil war. Mr. Tapley lives in the district represented in congress by Champ Clark and is a close friend of the statesman.

Mr. Tapley is an interesting man He has traveled much through the United States and Mexico. He says sin eethe civil war he has done nothing but pay taxes and vote the democratic ticket. This, however, characteristic trait of the native Missourian. He preserves his beard by wrapping it from the chin down in a silk braid, rolling it up and wearing it under his shirt bosom
