OUTLINES THE PLAN

CIRCULAR LETTER FROM PORTLAND'S ASSOCIATION.

Details of the Arrangements for the Organization of the Oregon Development League—Just What Will Be Done and What is Expected From Each County—Common, Homely Farm Statistics Wanted by the Meeting—Hot Air is Barred.

The following circular letter has been issued by the Portland Commercial Club, giving the details and minutest objects and scope of the meeting to be held in that city on August 2:

Portland, Or., July 25.—That the Oregon Development League convention to be held at the Marquam Grand Theater, in Portland, under the auspices of the Portland Commercial Club, August 2 and 3, will be a magnificent success is now assured.

It is desired that all delegates who can do so will be at the Marquam Grand by 9:30 so as to register and receive badges, as it is especially desired that the convention be called to order not later than 10 o'clock and get down to work immediately for complete and effective organization.

There will be but few set speeches, and these will be delivered by practical men in the different industries, and after each address delegates to the convention will be given an opportunity to ask the speakers such questions as they desire and to comment upon the facts presented.

It has been suggested that it would add greatly to the effectiveness of the work if the delegates from different communities will perfect an organization of their delegation before leaving home.

If each and every delegation will prepare condensed reports of actual production, giving not only the results accomplished by growers and producers, but the name of that grower or producer, in the same plain, direct language that an Oregon farmer would use in writing to an old friend in one of the distant states, then we will have matter for the use of the newspapers and the immigration departments of the railroads that will secure results.

These reports should be written in duplicate, not only for the use of the Portland papers, but to insure a complete report of the proceedings. If the convention can take the form of an experience meeting, in which long speeches are left unsaid and brief, pithy, striking points are made, it will insure not only the permanency of the Oregon Development League, but will be of benefit to every section of this state.

A round trip open rate, good for everybody, has been put on by the railroads, and tickets are good on all trains arriving in Portland on the afternoon of August 1 and morning of August 2, good to return until August 4, except that fares of 50 cents or less will not be reduced. It is advisable that those attending the convention should get definite particulars from their local agent as to the time of the departure of trains.

Residents of Oregon who take advantage of this rate and are not delegates to the convention will be welcome to attend the convention, occupying seats in the gallery and balcony.

The seats in the parquet will be reserved exclusively for delegates. Desiring to keep a record of this convention, not only in type, but in illustrated form for general circulation, a snap-shot photograph will be made exactly at 11 o'clock Tuesday morning, August 2. The taking of this picture will occupy a minute or two of the convention's time.

A committee from the Woman's Club of Portland will have charge of a trolley ride to be given to the wives, daughters, sisters and other ladies accompanying delegates to the convention, for which four large cars have been supplied with the compliments of the Oregon Water Power & Railway Company. This special train of trolley cars will leave the corner of First and Alder streets exactly at 3 p. m., August 2, for a trip to Canham Park, beyond Oregon City.

Delegates to the convention and ladies accompanying them are cordially invited to attend a reception at the Commercial Club, Tuesday evening from 8 to 11 o'clock, and during both days of the convention the rooms, and especially the tower of the Commercial Club will be open for the use of visitors and delegates. All those who have never had the pleasure of a bird-eye view of Portland should improve this opportunity.

The convention will adjourn in simple time to give all the delegates and the ladies accompanying them an opportunity to enjoy a trolley ride over the city, in which 10 open cars will be used, jointly supplied with the compliments of the City & Suburban Railway Company, and the Portland Railway Company. These cars will start from Third and Yamhill streets Wednesday afternoon, promptly at 2 o'clock, and two citizens of Portland will be upon each car to point out places of especial interest.

FOR DEMOCRATIC CHAIRMAN.

Senator Gorman Will Probably Lead the Unterrified.

New York, July 26.—Democratic politicians are awaiting with eagerness the outcome of the meeting of the national committee in session this afternoon at the Hoffman house. Though the members of the committee declined to give out any public statement prior to going into session behind closed doors it can be stated on the best of authority that the majority sentiment is decidedly in favor of Senator Gorman of Maryland for the national chairmanship. It is believed that, notwithstanding Senator Gorman's emphatic assertion of his indisposition to assume the office, every effort is being made by the friends of Judge Parker to have him consent to his election. Senator Gorman is said to be the choice of both Judge Parker and ex-Senator Davis for the place, and the belief of the party leaders here is that he will not be able to withstand the pressure which will be brought to bear upon him to direct the campaign.

Deafness Cannot Be Cured. By local applications as they can not reach the diseased portions of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for each case of deafness (caused by catarrh) that can not be cured by Hall's Catarrh Cure. Send for circular free. F. J. CHENEY & CO., Toledo, O. Sold by all druggists, 75c. Hall's Family Pills are the best.

One Hundred Dollars Reward.

One hundred dollars is a pretty good reward for five minutes work, yet that is what J. E. Strode, of Watsburg, Wash., got from the East Oregonian in our last subscription contest. He received with the compliments of the East Oregonian, without a cent of expense to himself, a \$100 rubber-tired buggy. We propose to conduct another subscription contest on the following basis:

From now until November 4th we will take new subscriptions sent in by our subscribers and to the one who guesses nearest to the vote received by the winning presidential candidate in this state, we will give one-half of all the money received from this contest.

For example, if you think President Roosevelt will receive the majority of votes in the coming election, fill out the coupon, "Roosevelt's total vote in Oregon will be (.....)," and put in your estimate.

If our subscribers co-operate with us as they have in previous contests and as we expect they will in this, we will take in several hundred dollars and possibly much more, one-half of which will go to the person who guesses nearest to the vote in Oregon for the winning presidential candidate.

There is only one requirement and this is important. ALL NAMES IN MUST BE THOSE OF NEW SUBSCRIBERS. Renewals of subscription will not be counted in this contest. Subscribers can participate in this way: Get some neighbor to take the Weekly East Oregonian for four months for 50 cents. Send in a money order for the 50 cents; or in 1c and 2c stamps or silver, accompanied by your guess on the presidential vote. If you do not want to ask some neighbor to subscribe, send in 50 cents and the name of some friend in the East who is interested in the western country. Let him read the Weekly East Oregonian and it will give him more news about the resources of the Inland Empire than you could if you wrote him a 50-page letter a week. For every 50 cents you will be entitled to one guess. If you get four of your friends to take it four months each, you will be entitled to four guesses, or if you get one new subscription for a year for the Weekly for \$1.50 you are entitled to three guesses. Some one of our subscribers will get one half of all money taken in on this contest. It may be only \$50, or it may be several hundred dollars, but whatever the sum the one who guesses nearest to the presidential vote in Oregon for the winning candidate, will get one-half of the money.

Remember the guess is on the vote cast in Oregon for the successful presidential candidate.

Only new subscriptions count. A subscription for 50 cents gives you one guess.

You can send in as many subscribers as you wish and for each 50 cents you get one guess.

This contest closes November fourth, so be sure to send in your guess before that time.

The total vote in June, 1904, was 92,608; for republican candidate for supreme Judge, 52,946; for democratic, 28,729; socialist, 6419, and prohibition, 5514.
