the controversy. The La Grande land office, of course, adhered to its decision, but the commissioner of the general and office reversed the local land office, holding that Nelson expended his rights in the first purchase he made. In detail the decision of the commis-sioner was to the effect that no person is entitled to more than 160 acres of non-timbered and 40 acres of timbered land. From this ruling Nelson appealed to the secretary of the interior, whose opinion sustaining the contestant, is referred to above. Col Raley represents the contestee.

Another case, exactly similar in the conditions, is said to be that of Chas. E. Hoover, contestant, vs. George W. Jones, contestee, and still others will be affected by the decision. In the Hoover vs. Jones case the attorneys are the same as in the case in which the decision has been rendered.

MANUFACTURERS' TRUST.

Steps Being Taken to Curtail Production.

Greenville, S. C., July 26.-The cot-on manufacturers of North Carolina, South Carolina, Georgia and Alabama met here today to definitely settle what the curtailment of production shall be. At a meeting of leading cot-ton mill men two weeks ago, it was agreed that no goods be sold up to the present date for less than a reduction of 8 3-8 cents per pound from what print cloths were selling at four months ago.

The manufacturers contend that it is of the utmost importance that they cotton goods for the past three months.

In the Only Possible Way of Having An Effective Cure.

If you see a woman or a man with luxuriant glossy hair, you may be sure nei-ther has dandruff to amount to anything In nearly every case where women and

There are hundreds of preparations that "claim" to cure dandruff, but not one but Newbro's Herpicide tells you that dandruff is the result of a germ burrowing into the scalp, and that per-manent cure of dandruff and its consemanent cure of dandrun and its conse-quent falling and buildness, can only be had by killing the germ; and there is no other preparation that will destroy that form but Newbro's Herpicide.
