LARGEST GLASS FRONT.

Peoples Warehouse Used the Largest Plate Glass Ever Shipped to Inland Empire.

The plate glass to be used in the new store front of the Peoples Warehouse are the largest ever brought to the Inland Empire. The huge window panes are 110 by 116 inches in size. No furniture car large enough to contain them could be secured and they were shipped to Pendleton on a special flat car.

The front of the Peoples Warehouse will be lettered by Saturday evening. The brick work on the second story of the addition to the store has been completed, but it will be fully two weeks yet before the new quarters will be ready for occupancy.

'The front of the store,' said Manager Albert Cohen, 'is a new departure for this part of the country. The display space will have a depth of nine feet. The doors at the entrance will be of heavy oak set with oblong shaped plate glass.'

UNIQUE IN THEIR WAY

PEOPLES WAREHOUSE BELIEVES IN MAKING LOSSES EARLY, IF LOSSES MUST BE MADE.

The building improvements at this great store have had the effect of upsetting the different stocks. We find more washable goods suitable for summer and evening wear, on hand than we care to have, and we are not ashamed to tell it. We don't intend carrying it over until next year. We intend to make you help us reduce the stock and clean it up. To that end the prices are cut in half for Tuesday, Wednesday and Thursday. Those of you, and there are many who bought their summer dresses at the Peoples Warehouse, come and see the same material sold at one-half the regular price. We propose to make a loss and benefit the public with goods they can use now and not next winter. Remember just three days, Tuesday, Wednesday and Thursday. It pays to trade at the Peoples Warehouse.

GOOD FUR MARKET.

Many Hides and Odd Furs Are Now Being Handled Here.

The hide and fur men note the excellent quality of the furs coming into this market which were caught last winter. Not in many years, although last winter was not severe at all, has the closeness of the fur and denseness and pliability of the skin been equaled. This is true also of the dog skins brought in. One local dealer has on hand the pelts of half a dozen shepherd dogs taken last winter, which would certainly make a beautiful robe, if utilized for that purpose. More than usual care was taken in the tanning and other preservative processes last winter, while exactly the reverse was true of a year ago last winter. Good dog pelts bring 75 cents each, and good coyote skins 50 cents each.

Long wool-sheep pelts are worth now nine cents per pound, while shearlings bring but from 15 to 25 cents each.

From 10 to 13 cents per pound is paid now for flint dry beef hides; culls are worth 10 cents per pound straight; green hides bring 4 cents, and salted beef hides 5 cents.

If possible an excursion will be arranged for to bring the ball players and spectators from La Grande. The line-up of the Pendleton team has not been arranged.

'If the game is pulled off,' said Mr. Downey, 'this morning, "a balloon ascension will also take place at the Alta street grounds.'

CAMPBELL CASE DISMISSED.

Attorneys for Mrs. Mary S. Campbell Stop Action.

Once more, so far as the public is concerned there is peace in the Campbell household. This afternoon the attorneys for the plaintiff in the divorce case of Mary S. Campbell against Edwin F. The Campbells are prominent among Butter creek ranchers and have lived in Umatilla county for a number of years. The defendant did not appear in court.
