PIONEER PRIEST GIVES UP CHARGE

FATHER VAN DER VELDEN RESIGNS HIS POSITION.

Will Be Succeeded in Pendleton by Father Trivelli, Late of Seattle, Who Will Preach First Next Sunday—Father Van der Velden's Resignation May Be But Temporary—He Has Been in Charge of Catholic Church Here Since 1897, Excepting One Year in Wyoming—Other Catholic News and Movements.

Father Aloysius Van der Velden has temporarily resigned the pastorate of the Catholic church at this place on account of failing health. This step was advised by his physicians. He will go to the Catholic mission at Colville, Wash., hoping that the change of climate and cessation from work will restore his health. There is no expectation that the retirement will be other than temporary, and it is probable that he will resume his work here in a few weeks. Father Van der Velden has been in the Northwest for 21 years, and was assigned to Pendleton in November, 1897, and has since been here continuously except for about a year, while he was engaged in special work in Wyoming. Father Albert Trivelli, of Seattle, is Father Van der Velden's successor at Pendleton. Father Trivelli is an Italian, with an experience of 19 years in the Northwest. However, a few months were spent in St. Louis since he first came into this region. He has been stationed at Seattle, Butte, Juneau, Alaska, and at the Flathead mission of St. Ignatius, in Montana. Father Trivelli's first sermon in Pendleton will be Sunday next at 10:30 a. m. Father Neale will remain in charge of the mission on the reservation. He will be assisted by Father Augustin Dimier, who will officiate as regular pastor of the Catholic churches at Athena, Weston, Milton and Adams. Father Bosch will remain assistant pastor of the Pendleton church. The Christian Brotherhood. Two young men whose names could not at this juncture be learned, have arrived to take charge of the mission school for Catholic Indian boys. They are members of the Christian Brotherhood, an order the members of which devote themselves wholly to secular teaching of Catholic youth. They are Frenchmen and highly educated, and will have charge of between 30 and 40 boys. The mission school for girls will have between 40 and 50 students, in charge of Sister Blanche, of the Sisterhood of St. Francis, of this place. It is an unexplained, but interesting fact that the girls largely outnumber the boys in all Catholic Indian schools. The Christian Brotherhood is said to have made an extraordinary record in the educational world, not only on account of the devotion and singleness of purpose of its members, but the excellence of its schools and the thoroughness and efficiency of the preparation for the work to which the brotherhood subjects themselves. It is stated that seven-tenths of the successful applicants for teachers' permits in the French governmental examinations, have for some time past been members of the Christian Brotherhood to which the new teachers on the reservation belong.

BECK, the Reliable Plumber

FIRE ON COURT STREET

Last Friday on the corner of Court and Cottonwood streets I gave an exhibition of what my fireproof paint will do. On a roof that had been painted with "Downer's Everlasting Fireproof Paint," I placed two sacks of shavings and on them poured half a gallon of coal oil and lit it. The fire burned fiercely but did not burn through the shingles. This test should prove the merit of my paint. To those who are interested I will give full information. I can be found at the Alta House evenings or during the day. Sample of my work may be seen at James Crawford's residence, and at Platzoeder's tenant houses, where I painted the roofs. I am now at work on Mrs. Weber's residence. I am making a special rate to introduce this preparation, and if you want to protect your home from fire and preserve your roof from rotting from the weather, you can save money by using "Downer's Everlasting Fireproof Paint." Address H. DOWNER, Pendleton, Oregon.
