## TWO HEAVYWEIGHTS

GREAT EVENT IN THE PUGILISTIC ARENA.

Jeffries and Munroe Expected to Go to a Finish Fight in San Francisco Tonight—Box Office Expected to Take in \$40,000—Jeffries to Weigh in Twenty-Five Pounds the Heavier and There Are Other Details in His Favor.

"I want it to be known that I feel absolutely sure that I am better than ever, and that I expect to find Munroe one of the easiest men to whip that I ever faced."  
"JAMES J. JEFFRIES."

"I will say that I feel that I will put up a great fight, and that if I am licked it will be because the champion is a better man than I am."  
"JACK MUNROE."

San Francisco, Cal., Aug. 25.—All eyes in the sporting world are now turning toward San Francisco. In this city tomorrow night, in the ring of the Yosemite Athletic Club, James J. Jeffries, the world's champion heavyweight pugilist, will defend his title against Jack Munroe, the former Butte miner who is conceded to be a worthy opponent of the champion, even though he may not be capable of defeating him.

To experts of the game few fights of later days will be more interesting. The two gladiators completed their work of preparation today, and from now until the gong calls them into the ring they will take just enough exercise to keep in condition. Reports of the most confident nature come from both camps. The club, under whose auspices the mill will take place is also satisfied with the outlook. Not since Jeffries and Corbett met has such interest been manifested in a heavyweight contest, and this notwithstanding the fact that Munroe is comparatively unknown. Reports say that every reserved seat in the club house has been sold. That means that at least \$40,000 will be in the box office when the two men enter the ring.

Though the fight does not promise much as a betting proposition, quite a few dollars are being wagered on the result. Jeffries is naturally a big favorite in the betting. At the same time there appears to be plenty of sporting men willing to stake money on the miner's chances. They point out that in every case where a champion has been beaten, it has been by a man who was not considered to have a chance.

The match between Jeffries and Munroe was made early in the spring after a long period of negotiation. The date originally fixed was June 17, but a few days prior to that date

it was found necessary to agree to a postponement on account of an injury to the champion's knee. After further negotiations the second date was fixed. For more than a month now the two men have been working hard to get into condition, the champion at his old training quarters at Harbin Springs, and Munroe at Sheehan's roadhouse on the beach. For two weeks Munroe has had the advantage of training under the eye of "Kid" McCoy, one of the cleverest boxers ever seen in the ring.
