There is more Catarri in this section of the country than all other diseases put together, and until the ast few years was supposed to be incurable. For a great many years doctors pronounced it a 'ocal disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Sci-ence has proven catarri to be a constitu-tional disease and therefore requires con-stitutional treatment. Hall's Catarri-Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitution-al cure on the market. It is taken inter-nally in doses from 10 drops to a tea-spoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and tea-timonials. DISCRIMINATING LADIES.

Enjoy Using Herpicide on Account of Its Distinctiveness.

The ladies who have used Newbre's Herpicide speak of it the highest 411 terms, for its quick effect in cleansing the scalp of dandruff and also for its ex-cellence as a general hair-dressing. It makes the scalp feel fresh and it allays that liching which dandruff will cause. Newbro's Herpicide effectively OUTER dandruff, as it destroys the germ that rauses it. The same germ causes hair to

fall out, and later baldness; in killing it, Herpicide stops falling hair and prevents baldness. It is also an ideal hair dress ing, for it lends an aristocratic charm to the hair that is quite distinctive. Sold
