Smaller Acreage Winter Wheat. Undoubtedly, judging from the reports brought in by the farmers, the acreage of winter wheat sown this fall will not be equal to that of a year ago in this county. This will not be the measure of the desires of the wheat raisers, but rather of their opportunities, which are bounded by the amount of fallow land, and the necessity of raising a certain proportion of other crops. It is noted that Turkey red is coming into favor, and the acreage of this variety is certain to be larger than ever before.

Fat Cattle Shipments. J. C. Lonergan has purchased during the past few days a carload of fat steers for the Sound market of Viebrock & Smith, of Camas Prairie, which will be shipped tomorrow, alongside another load of fat steers bought by Stubbfield, of Mrs. Southwell, of Lower Birch creek.

Bishop Potter Cocktail. Here's the formula for the Bishop Potter cocktail:

One dash of orange bitters in a mixing glass.

Five drops of Peruvian special.

One dash of French vermouth.

One dash of Italian vermouth.

One dash of French nerve cordial.

One jigger of dry gin.

Fill the glass with chipped ice, and while you stir the mixture with the ecclesiastical spoon have the cocktail glass chilled with shaved ice.

When ready to serve fill the cocktail glass with shaved ice for a frappe and strain the mixture into it. Drink with a short straw so that you can inhale the odor, which is like incense.

Joe Martin, colored, was lynched at Laramie, Wyo., Monday night, by a mob of white men, because he slashed a white girl with a razor, inflicting probably fatal injuries. She was a cook in the county jail kitchen, and was attacked by Martin while at her work.

No man ever reached a joy by jumping over a duty.

Six of the housekeeping questions are settled:

tea coffee baking-powder spices

flavoring-extracts soda

and settled for good.
