## NEW W. & C. R. DEPOT.

Plans for Structure Now in Hands of Agent Adams.

The plans for the new W. & C. R. depot at this place have arrived and are on file with Agent Adams, who will look after the placing of the contract, which will be done as soon as practicable, and with the intention to approximate the 15th of October for its completion and occupancy.

The new depot will be a frame structure 71 feet in length and located at the southwest corner of Webb and Garden streets. It will be modeled along the lines generally followed by the Northern Pacific Company, in the smaller towns. The telegraph office will be situated before a large bay window, and the front of the building will be ornamentally shingled for the greater part of the distance from the roof to the ground.

There will be two waiting rooms and all the usual conveniences for the public, besides more than the usual attempt to make a structure that will be an ornament to the town and a credit to the road.

## APPEAL O. R. & N. CASE.

Virgil Moore Seeks to Recover \$5900 for Burning of Wheat at Barnhart.

Notice of appeal in the action of the Manchester Fire Assurance Company, was filed in the state circuit court today by the plaintiff.

The suit is for \$5900 and grew out of the burning of a warehouse at Barnhart station about two years ago.

Moore's wheat was stored in the building and it was claimed by the plaintiffs that the fire resulted from sparks from a passenger locomotive. The jury found for the defendant.

Balleray & McCourt represent the plaintiffs and the general counsel for the O. R. & N. company and the local firm of Carter & Raley, represent the defendant.

## SHIPPED HORSES TODAY.

Will Return for Two Loads of Wild Horses Later.

Sheely & Warren, the North Dakota horse buyers, today shipped 25 head of all-round animals, in charge of Mr. Sheely. The average price paid was \$65 per head. The shipment was made somewhat sooner than the original intention to ship, in order to put the horses on the market to meet the demands for work horses in the Dakota harvest, which is only about one-third through at present.

Mr. Warren will go from here on a general tour of the Sound and from that country east, and may not return to Umatilla county until next spring, when he will return for at least two carloads of wild young horses. It is possible that he will return sooner than next spring, but not likely.

# A Well-Dressed Man

IT IS FAIR TO ASSUME THAT YOU WANT TO BE WELL DRESSED; MOST MEN DO. WELL DRESSED MEANS: TO WEAR CLOTHES THAT ARE CORRECT IN STYLE; THAT FIT; THAT ARE MADE OF GOOD MATERIALS, AND TAILORED IN SUCH A WAY AS TO KEEP THEIR SHAPE WHILE YOU WEAR THEM.

THAT'S ALL IT DOES MEAN. NO MATTER WHAT THEY COST; NO MATTER WHO MAKES THEM; IF YOUR CLOTHES DON'T MEET THOSE REQUIREMENTS, YOU'RE NOT WELL DRESSED.

OUR FALL STOCK IS NOW HERE FOR YOUR INSPECTION.
