The Portland Trust Company, of Oregon, which was established in 1887, has ample capital and resources and numbers among its stockholders some of the wealthiest citizens of Portland, and also a great many Eastern capitalists. This company has devised a very convenient form of employing funds that may be temporarily idle, so that the depositor may get interest upon them, and still have them available upon a reasonable notice.

Money Savers

Of whom there are many in Eastern Oregon and Washington, should remember that "THE OLDEST TRUST COMPANY IN OREGON," issues interest-bearing certificates of deposit that pay a good rate of interest, and can be drawn at any time by giving a certain number of days' notice. CRUISER IS READY

MILWAUKEE TO BE LAUNCHED AT SAN FRANCISCO.

Miss Janet Mitchell of Wisconsin Will Christen New Vessel in Presence of the Knights Templar Visitors—Splendid Cruiser Has Displacement of 9700 Tons, and Will Cost \$2,825,000—Speed to Be 22 Knots, Crew of 631 Men and 40 Officers.

San Francisco, Sept. 7.—The launching of the new cruiser Milwaukee, definitely set for September 10 at 11:50 a. m., promises to attract more attention than any similar event since the battleship Ohio took her maiden trip in the presence of the late President McKinley.

The launching will be the final day feature of the Knights Templar convocation and an effort will be made to have all knights from the Badger state attend and participate in the ceremonies.

Miss Janet Mitchell, the 19-year-old daughter of the late Senator Mitchell of Wisconsin, will christen the vessel and Miss Lily Jeffrey, daughter of the vice-president of the Union Iron Works, where the new fighting ship was built, will cut the cord that will permit it to slip down the ways and into the water.

The Milwaukee is one of the three sister ships, which are the largest protected cruisers in the United States navy, the other two being the St. Louis and Charleston. They are what is known as protected cruisers and carry no armor, their protection consisting solely of a protective, deflective deck and shields for some of her guns. The contract for the construction of the Milwaukee was signed April 17, 1901, at a price of \$2,825,000 for hull and machinery, and her keel was laid July 30, 1902.

The principal features of the Milwaukee are her great size and high speed. She will have a displacement of 9700 tons with her normal coal supply, but with a full load her displacement will exceed 11,000 tons. She will be really larger than any battleships, such as the Oregon. She is 424 feet long, with 66 feet beam and 22 feet 6 inches mean draft. Her speed is to be 22 knots.

For a battery the Milwaukee will carry 14 6-inch, 18 3-inch and eight 1-pounder rapid-fire guns; 12 3-pounder semi-automatic, four 1-pounder automatic and 10 machine guns and four field pieces. Her crew will consist of 631 men and about 40 officers.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Alba, Sept. 6.—Born to the wife of A. S. Quant, on Sunday, September 4, a daughter.

Nate Ranes, the Pendleton cattle buyer, bought 52 head of steers from Rust Bros., of Ridge, Saturday, at \$2.75 per 100.

James Jones and Bob Adams are on their way home from John Day with 300 head of beef cattle, purchased in that district.

Camprenders report the range very short owing to the great number of sheep now crowded into the small range area.

Harvest will be finished on Camas Prairie this week. The next job will be to gather up the cattle for the pastures.

The old cottage built by Cox and Miner in the palmy days on the Dixie ranch, is being treated to a new roof. It required 30,000 shingles to cover it. The old house is built on the southern style, with wide porches and porticoes and is an attractive structure, in this country district.

What is Life?

In the last analysis nobody knows, but we do know that it is under strict law. Abuse that law even slightly, pain results. Irregular living means derangement of the organs, resulting in Constipation, Headache or Liver trouble. Dr. King's New Life Pills quickly readjusts this. It's gentle, yet thorough. Only 25c at Tallman & Co.'s drug store.

The letter of Miss Merkle, whose picture is printed above, proves beyond question that thousands of cases of inflammation of the ovaries and womb are annually cured by the use of Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—Gradual loss of strength and nerve force told me something was radically wrong with me. I had severe shooting pains through the pelvic organs, cramps and extreme irritation compelled me to seek medical advice. The doctor said that I had ovarian trouble and ulceration, and advised an operation. I strongly objected to this and decided to try Lydia E. Pinkham's Vegetable Compound. I soon found that my judgment was correct, and that all the good things said about this medicine were true, and day by day I felt less pain and increased appetite. The ulceration soon healed, and the other complications disappeared, and in eleven weeks I was once more strong and vigorous and perfectly well. My heartiest thanks are sent to you for the great good you have done me."—Sincerely yours, MISS MARGARET MERKLEY, 275 Third St., Milwaukee, Wis.—\$5000 forfeit if original of above letter proving genuineness cannot be produced.

One Hundred Dollars Reward.

One hundred dollars is a pretty good reward for five minutes work, yet that is what J. E. Strode, of Wabburg, Wash., got from the East Oregonian in our last subscription contest. He received with the compliments of the East Oregonian, without a cent of expense to himself, a \$100 rubber-tired buggy. We propose to conduct another subscription contest on the following basis:

From now until November 4th we will take new subscriptions sent in by our subscribers and to the one who guesses nearest to the vote received by the winning presidential candidate in this state, we will give one-half of all the money received from this contest.

For example, if you think President Roosevelt will receive the majority of votes in the coming election, fill out the coupon, "Roosevelt's total vote in Oregon will be (.....)," and put in your estimate.

If our subscribers co-operate with us as they have in previous contests and as we expect they will in this, we will take in several hundred dollars and possibly much more, one-half of which will go to the person who guesses nearest to the vote in Oregon for the winning presidential candidate.

There is only one requirement and this is important. ALL NAMES SENT IN MUST BE THOSE OF NEW SUBSCRIBERS. Renewals of subscription will not be counted in this contest. Subscribers can participate in this way: Get some neighbor to take the Weekly East Oregonian for four months for 50 cents. Send in a money order for the 50 cents; or in 1c and 2c stamps or silver, accompanied by your guess on the presidential vote. If you do not want to ask some neighbor to subscribe, send in 50 cents and the name of some friend in the East who is interested in the western country. Let him read the Weekly East Oregonian and it will give him more news about the resources of the Inland Empire than you could if you wrote him a 50-page letter a week. For every 50 cents you will be entitled to one guess. If you get four of your friends to take it four months each, you will be entitled to four guesses, or if you get one new subscription for a year for the Weekly for \$1.50 you are entitled to three guesses. Some one of our subscribers will get one half of all the money taken in on this contest. It may be only \$50, or it may be several hundred dollars, but whatever the sum the one who guesses nearest to the presidential vote in Oregon for the winning candidate, will get one-half of the money.

Remember the guess is on the vote cast in Oregon for the successful presidential candidate.

Only new subscriptions count.

A subscription for 50 cents gives you one guess.

You can send in as many subscribers as you wish and for each 50 cents you get one guess.

This contest closes November fourth, so be sure to send in your guess before that time.

The total vote in June, 1904, was \$2,608; for republican candidate for supreme judge, \$2,946; for democratic, \$2,729; socialist, \$419, and prohibition, \$514.
