With Goat and Gavel of Fraternalism

Among the score of secret societies in Pendleton increased activity is noticeable as the weather grows cooler and people begin to return from the summer resorts. During the hot months a number of the orders suspended their sessions. Others held regular meetings, but the attendance was generally small.

No definite plans for fall work has been arranged by any of the lodges.

Pocahontas Minstrels.
Anita Council, Degree of Pocahontas, is arranging for a minstrel performance to take place within a few weeks. This lodge meets the second and fourth Wednesdays of each month. Meetings have been held during the summer.

A. F. & A. M.
The Masonic lodges of the city are among the strongest and most flourishing of the secret societies. Just at present a number of the members are absent in San Francisco attending the Knights Templar convolve. During the summer the lodges were closed. Pendleton lodge No. 52, A. F. & A. M., holds its sessions on the first and third Mondays of each month. The meetings will begin on the third Monday of this month.

G. A. R.
Kit Carson Post No. 28, is the name of the Grand Army of the Republic post in this city. In spite of the fact that the members are men who fought for their country over 40 years ago, the local post is in a flourishing condition with a membership of 50. Three new members are to be initiated shortly. The lodge sessions are held on the second and

fourth Saturday afternoons of each month.

I. O. R. M.
Umaholls Tribe No. 18, Improved Order of Redmen, meets every Tuesday. It enjoys one of the largest memberships of any lodge in the city, barring, perhaps, the Odd Fellows.

I. O. O. F.
There are four branches of the Independent Order of Odd Fellows in this city. Eureka lodge No. 32, meets every Saturday. Integrity, No. 92, meets on Wednesday evenings, the Rebekahs hold forth on the second and fourth Mondays and Umatilla Encampment has its sessions on the second and fourth Thursdays of each month.

Maccabees.

The Order of Washington meets on the second and fourth Wednesdays of the month.

The orders of the Woodmen of the World and the Women of Woodcraft have strong lodges in Pendleton. The Woodmen meet every Saturday evening. The circles of Woodcraft meet on the second and fourth Thursdays of each month, and the first and third Wednesdays.

A few lodges that were organized in Pendleton have gone out of existence. Among these is the Sons of Hermann, a well known German order.

Fearful Odds Against Him.
Bedridden, alone and destitute. Such, in brief, was the condition of an old soldier by name of J. J. Havens, Versailles, O. For years he was troubled with kidney disease and neither doctors nor medicines gave him relief. At length he tried Electric Bitters. It put him on his feet in short order and now he testifies: "I'm on the road to complete recovery." Best on earth for liver and kidney troubles and all forms of stomach and bowel complaints. Only 50c. Guaranteed by Tallman & Co., druggists.

Attention Sheepmen.
Range to lease and can locate some good range and water. Address Box 44, La Grande, Ore.
