THEIR RIGHT

People who entrust their money to

a bank want to know something of its

tinnocial strength. We fully recognize

this right, and giadly furnish depos-

itors with a list of our directors and stockholders. Then, from time to

time we publish reports showing the

condition of the bank. Copies of these

reports are kept on hand for those

DINDINGER, WILSON & CO.

ARRESTS FOR GAMBLING.

Calyvin Winslow, a Minor, Found in Gambling Resort Saturday.

Jesse Saling is under arrest charg-Heffle is in the Similkameen country. ed with conducting a gambling game and William Baker and Albert proprietors of the saloon in which Saling is alleged to have been operating are charged with allowing minor to frequent their place. The arrest of the three men is the result of C. W. Winslow discovering his minor son. Calvin, in the gambling Baptist church at Nampa. house.

It is said Winslow had once before warned Saling and the saloon men not to allow his son in the house. When he found him there a few days ago he took the matter up with the deputy district attorney, H. E. Col-The informations were filed Saturday were arrested this morning by Sher-Iff T. D. Taylor.

The penalty for violating the gamthat country. bling law in this state is a fine of not less than \$50 nor more than \$300, or confinement in the county fail for a period not more than one year

All the parties arrested will be arraigned in the state circuit court to-morrow. They were released on ball were of \$100 each.

BROTHER MISSING.

Colorado Man Starting a Search Through the Northwest.

Ellis Boutelle, of Steamboat, Col., was in town yesterday, going to Portland this morning. Mr. Boutelle came is more than confirmed by his visit, to Steamboat Springs about a year ago from Wright county, Missouri, with a half-brother. Oliver Ellis, and the two expected to engage in the nursery business at that place. OT About a month ago the Mr. Robertson will go to the State Irnear by. latter left for a tour of the Northwest, since which time he has not been heard from.

time he will reside here experimentally for a year before investing to any considerable extent. His intention is to engage in this neighborhood in general farming, probably maintain-ing a residence in town.

Faulkenberry's half-brother, Mr. G. W. Sebring, who also resided in Grant county for a number of years. has sold out there and is living at Milton, and expects to reside in this county permanently. He also was a stockman in the interior, and will in as Distributing Point for a Large vest here if he is as well pleased at Horse Trade-One Brother of the the end of a year's residence as now Firm Lives in France and Does the and does not have to pay too much for property at that time.

Another brother, J. M. Sebring, a general farmer in the vicinity of Walla Walla, is here visiting the first gentleman named, and he too hopes to find property that suits him and at a reasonable price, with the intention of moving into this county.

CONTRACTS NOT SIGNED.

Open River Association Has Not Closed Portage Road Deal Yet.

The contracts between the Open Portage Railroad board have not yet been signed.

They were awaiting the final loca this morning to a Walls Wella States man reporter: "I am seery to say the contracts have not been sizned yet but the situation is much favorable An engineer representing the state Open River Association accompanied by the president and secretary of that organization, are now making the

William McLaughlin, manager of final location of the seriage road

And we have every reason to be Heve that the agreement will be signed between the state and the executive committee of the Open River Association."

As such as this is done the Open River Association will take charge of the construction. They will also begin a big campaign to interest the people of the Inland Empire in the railroad and Its importance. The committee will have to name \$40,000 in Oregon and Washington to make up the amount lacking to construct the road.

A Nervy Boy.

Frank Wall, aged 9 years fell upon piece of glass a few days ago. The firm is com- lima bean and irregular in shape was driven into the palm of the left hand and literally imbedded in the ligaments, nearly penetrating to the surface of the back of the hand. After outlining the initialing fragment it could only be taken out by a straight and hard pull which Dr. Blakeslee accomplished without giving the boy an anaesthesis, not even a local application. The boy's grit and endurance may be imagined by
