A distressing case of Fibroid Tumor, which baffled the skill of Boston doctors. Mrs. Hayes, of Boston, Mass., in the following letter tells how she was cured, after everything else failed, by Lydia E. Pinkham's Vegetable Compound.

### Mrs. Hayes' First Letter Appealing to Mrs. Pinkham for Help:

"DEAR MRS. PINKHAM: - I have been under Boston doctors' treatment for a long time without any relief. They tell me I have a fibroid tumor. I cannot sit down without great pain, and the soreness extends up my spine. I have bearing-down pains both back and front. My ab-domen is swollen, and I have had flowing spells for three years. My ap-

petite is not good. I cannot walk or be on my feet for any length of time. "The symptoms of Fibroid Tumor given in your little book ac-curately describe my case, so I write to you for advice."—(Signed) Mrs-E. F. HAYES, 252 Dudley St., (Roxbury) Boston, Mass.

Note the result of Mrs. Pinkham's advice-although she advised Mrs. Hayes, of Boston, to take her medicine-which she knew would help herher letter contained a mass of additional instructions as to treatment, all of which helped to bring about the happy result.

"DEAR MRS. РІХКНАМ: — Sometime ago I wrote to you describ-ing my symptoms and asked your advice. You replied, and I followed all your directions carefully, and to-day I am a well woman. "The use of Lydia E. Pinkham's Vegetable Compound entirely

xpelled the tumor and strengthened my whole system. I can walk

miles now. "Lydia E. Pinkham's Vegetable Compound is worth five dollars a drop. I advise all women who are afflicted with tumors or female trouble of any kind to give it a faithful trial."—(Signed) Mns. E. F. HAYES, 252 Dudley St., (Roxbury) Boston, Mass.

## Mountains of gold could not purchase such testimony—or take the place of the health and happiness which Lydia E. Pinkham's Vegetable Compound brought to Mrs. Hayes.

Such testimony should be accepted by all women as convincing evidence that Lydia E. Pinkham's Vegetable Compound stands without a peer as a remedy for all the distressing ills of women; all ovarian troubles; tumors; inflammations; ulceration, falling and dis-placements of the womb; backache; irregular, suppressed or painful menstruation. Surely the volume and character of the testimonial let-ters we are daily printing in the newspapers can leave no room for doubt. Mrs. Hayes at her above address will gladly answer any letters which sick women may write for fuller information about her illness.

which sick women may write for fuller information about her illness. Her gratitude to Mrs. Pinkham and Lydia E. Pinkham's Vegetable Compound is so genuine and heartfelt that she thinks no trouble is too great for her to take in return for her health and happiness.

Truly is it said that it is Lydia E. Pinkham's Vegetable Com-
