

Mrs. Haskell, Worthy Vice-Templar, Independent Order Good Templars, of Silver Lake, Mass., tells of her cure by the use of Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—Four years ago I was nearly dead with inflammation and ulceration. I endured daily untold agony, and life was a burden to me. I had used medicines and washes internally and externally until I made up my mind that there was no relief for me. Calling at the home of a friend, I noticed a bottle of Lydia E. Pinkham's Vegetable Compound. My friend endorsed it highly, and I decided to give it a trial to see if it would help me. It took patience and perseverance for I was in bad condition, and I used Lydia E. Pinkham's Vegetable Compound for nearly five months before I was cured, but what a change, from despair to happiness, from misery to the delightful exhilarating feeling health always brings. I would not change back for a thousand dollars, and your Vegetable Compound is a grand medicine."

"I wish every sick woman would try it and be convinced."—Mrs. IDA HASKELL, Silver Lake, Mass. Worthy Vice-Templar, Independent Order of Good Templars.—\$5000 forfeit: If original of above letter proving genuineness cannot be produced.

SOVEREIGN GRAND

NATIONAL GATHERING OF THE ODD FELLOWS.

Between 20,000 and 25,000 Members of the Order Are Expected in San Francisco Next Week—Below is Given an Outline of the Week's Program—Sovereign Grand Lodge Will Last From 18th to 24th Inclusive.

San Francisco, Cal., Sept. 14.—The annual communication of the Sovereign Grand Lodge of the Independent Order of Odd Fellows will be held in San Francisco, beginning Monday and continuing throughout the week. The sovereign grand lodge is composed of about 350 representatives of grand lodges of the order in different states, territories and foreign countries. Auxiliary organizations will meet during the week. These include the Rebekah Assembly and the Patriarch's Militant.

A daily attendance during the week of from 10,000 to 15,000 Odd Fellows is estimated by the committee in charge of the entertainment. On the big day, which is Friday next, 50,000 visitors are expected to be here to see the parade, which will be reviewed by the governor and other state officers, the mayor and the city officers and the grand site and representatives of the sovereign grand lodge.

Tuesday the sessions of the lodge will continue in secret. The grand encampment of California will hold its fiftieth session in Odd Fellows' hall. Tuesday will also be Rebekah day, with exercises afternoon and evening in Mechanics' pavilion.

Wednesday the sessions of the sovereign grand lodge will continue. In the afternoon the Patriarch's Militant will display a dress parade in Mechanics' pavilion. The cantons of this order will drill in competition for about \$1000 in purses. For the unofficial visitors and the wives and families of the delegates there will be an excursion on the bay Wednesday. In the evening a grand concert will be held in Mechanics' pavilion.

Thursday the prize drills of the Patriarch's Militant will be continued and there will be sessions of the sovereign grand lodge and of the Rebekahs. Excursions to nearby points during the day and concerts and receptions in the evening will make up the entertainment program.

Friday morning the grand parade will start. At various points along the line reviewing stands will be erected for the accommodation of the state and city officials and the members of the sovereign grand lodge. Large prizes have been offered for the lodges which send the largest number to participate in this parade. The committees hope to have 50,000 Odd Fellows in line. The railroads have reduced their rates and an unusually large crowd is expected to be in the city on the day of the parade.

Saturday morning the officers of the several orders will be installed. It is the rule of the sovereign grand lodge to advance the deputy grand, sire to the position of grand sire. This means the R. E. Wright of Alhambra, Pa., will be the next grand sire.

Dagger That Killed Rizao.

London, Sept. 15.—Advisers from Wellington, New Zealand, state that much interest has been aroused by the news that an ancient dagger, alleged to have been the one with which Rizao was fatally stabbed in the presence of Mary Queen of Scots, is at present in possession of the public trustee of that city. The weapon came into this official's possession through a man named Donald Stuart dying intestate at Auckland last March. The dagger is about 12 inches in length, is broken off at the point, and is inscribed: "The H. S. L. D., Fras M. S. Q. S. 1565." This inscription is interpreted to read as follows: "To Henry Stuart, Lord Darley, from Mary Stuart, Queen of Scots, 1565." It was in 1565 that the couple were married.

In addition there will be a coin of the value of 2½ cents, which, of course, will not be directly convertible into American money.

Nasal catarrh quickly yields to treatment by Ely's Cream Balm, which is agreeably aromatic. It is received through the nostrils, cleanses and heals the whole surface over which it diffuses itself. A remedy for nasal catarrh which is drying or exciting to the diseased membrane should not be used. Cream Balm is recognized as a specific. Price 50 cents at druggists or by mail. A cold in the head immediately disappears when Cream Balm is used. Ely Brothers, 56 Warren street, New York.

SAFELY THROUGH MOTHERHOOD WITHOUT PAIN.

What a wonderful message of hope and escape from suffering these words carry to that woman who is dreading the hour that shall produce her Motherhood. Perhaps for her it is the first time God has blessed her with what are and mystery and fear she comprehends the coming event which even now is dawning in shadow before in the way of many painful discomforts? The hope held out in these words simply means that childbirth has been turned into an event of thanksgiving and joy, stripped of its agonies and dangers because of the learned skill of man.

MOTHER'S FRIEND

is the name of the remedy which means so much to the expectant mother; she can apply it herself and feel an improvement at once which but foretells the pain and suffering which it saves when childbirth takes place. The testimony of Mothers who have used it successfully will convince you; their words of praise are found in our book, "Mother's Friend." Send for it.

How to Judge Beer PURITY

Impossible to find it in most bottled beers, because their preservation is gained through chemical adulteration.

Bottled beers, as well as food products, are often adulterated with chemical preservatives, etc., which for awhile keep them from souring, but are injurious to the stomach. A. B. C. BEER is guaranteed to be absolutely pure and free from any adulterant whatever. It is never exposed to the air (which is germ-laden) but is brewed, fermented and aged for eight months in air-tight compartments, then piped in tin-lined pipes direct to the air-tight bottling machines, where it is bottled, sealed, pasteurized and packed for shipment.

A. B. C.

The only beer bottled exclusively at the Brewery, therefore the only bottled beer that can be absolutely guaranteed.
