NEWS OF ATHENA NEWS OF MILTON

LADIES' AID SOCIETY'S SUCCESSFUL ENTERTAINMENT

All the Participants Gave \$1 to the Aid Fund and Told How the Dollar Was Earned—Over \$37 Raised by the Entertainment—Excellent Musical and Literary Program Was Rendered.

Athena, Sept. 17.—At a meeting of the Ladies' Aid Society Thursday night in the Methodist church, a joyous time was had. Mrs. Hugh Worthington and Mrs. W. M. McBride were principally instrumental in conducting the social gathering. It was in the nature of an experience meeting, and every one who gave a dollar told of his or her experience in earning it. \$37 was the amount given to fund of the society.

It was remarkably interesting to hear each party tell how the dollar given by him or her, was earned. Some earned one by sewing, others by cooking, teaching, washing, harvesting, "bucking sacks," and in various ways, showing how many ways there are to earn money if people will only try. Now and then it produced laughter to hear some one tell his experience.

The real program was begun with music rendered by Miss Elsie Rosenzweig, one of Athena's most accomplished young women, who is a teacher in the city schools.

Will M. Peterson was then introduced and spoke briefly on "The Achievements of Womanhood," giving most of his time to the progress of woman since her appearance upon the stage of action. His speech was very encouraging and well liked by all.

Miss Nettie Cannon, in her usual charming manner, recited a nice selection. It was full of pathos with now and then a little intermixture of funny sayings.

Mrs. Thompson recited a poem that was well received and showed careful preparation.

Joseph Scott, one of Athena's enterprising merchants and educated gentlemen, sang a beautiful solo to the delight of all.

After the program was finished, everybody went to the church dining room, where nice refreshments were served. These consisted of coffee, tea, cake, pie and many other little viands.

The whole affair speaks highly for the Ladies' Aid Society, and everyone was highly pleased with the events of the evening.

He who fights an' runs away may live t' explain it t' th' war correspondents.

Reisacher Saddles

Reisacher Saddles are made for service. The reason they look better is simply because they are better.

They're built STRONG. The thorough way in which they are put together is the reason of their durability, quite as much as the materials from which they are made.
