VAUDEVILLE AT PANTHEON.

Place Now Under the Management of J. Murray Smith.
The Pantheon will open next Monday night under the management of J. Murray Smith, of Seattle, who has secured a lease of the property and will put on all the best amusements which ever come to the larger towns of the Northwest. Under his management the Pantheon becomes a part of the famous Lang-Edison Empire circuit.
A telegram received by Mr. Smith at noon today announces that the Whitman Sketch company and the Regals will open the season here next Monday.
Throughout the winter all changes of program and attractions will be made in the middle of the week, and every evening's entertainment will consist of a double bill—two complete performances, the first beginning at 7:30 o'clock, the second at 8:45.
Every Saturday afternoon there will be a matinee for children, at which the complete, unabridged performance given that evening will be presented.

Under Mr. Smith's management the Pantheon will be a place to which ladies and children can go without escorts if they choose, and from start to finish there will be nothing to offend the most refined tastes.
BOOM AT ARLINGTON.
Projection of the Gordon Branch Makes a Great Stir.
"I never saw Arlington so lively," said Alexander G. Ogilvie, of Wallace, Cochran & North, who was in Pendleton this morning. "The town is full of railroad men and laborers, and grading machinery is being shipped into the place in carloads. It is expected that the grading work will be completed by January 1, and by the first of April the O. R. & N. will have its cars running to Condon."
Mr. Ogilvie is a pioneer of Eastern Oregon. He engaged in the sheep business for a number of years. His home is in Portland. "The Dalles," he said, "is taking on a brighter look and the prospects are for brisk business. The work on the O. R. & N. extension to Dufur is responsible for a great amount of The Dalles activity."
Mr. Ogilvie went to Walla Walla this morning, but will return to Pendleton in a day or two.

Water and Forage Scant.

Sheepmen aver that water and range are both becoming scarce in the mountains, and that the protracted dry weather has produced serious doubts about there being sufficient pasture in the lower country to support the flocks when they must necessarily soon do. There has been less rainfall in the Blue mountains this fall than for any fall for 15 years past, and the water supply for the sheep is correspondingly less and the forage more scant.

Fearful Odds Against Him.

Bedridden, alone and destitute. Such, in brief, was the condition of an old soldier by name of J. J. Havens, Versailles, O. For years he was troubled with kidney disease and neither doctors nor medicines gave him relief. At length he tried Electric Bitters. It put him on his feet in short order and now he testifies: "I'm on the road to complete recovery." Best on earth for liver and kidney troubles and all forms of stomach and bowel complaints. Only 50c. Guaranteed by Tallman & Co., druggists.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietor has so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CLEGG & CO., Toledo, O. Sold by Druggists, 75c.

REACHING THE SPOT.

It Can Be Done, so Scores of Pendleton Citizens Say.

To cure an aching back, The pains of rheumatism, The tired-out feelings, You must reach the spot—get at the cause.

In most cases 'tis the kidneys. Doan's Kidney Pills are for the kidneys.
Mrs. J. Brynk, who lives on Star street, says: "Doan's Kidney Pills are a grand medicine, as I know from experience, and I have no hesitation in saying that any sufferer from back-ache or other kidney troubles who will give them a fair trial, will be more than satisfied with the results. I suffered for three or four years with pains in my back, which became acute when I attempted to bend over, or to lift anything. Besides, I had rheumatism or lumbago in my left arm—so bad that I could not raise it above my shoulder without assistance from my left hand. I saw Doan's Kidney Pills advertised and got a box at the Brock & McComas Co.'s drug store. When I had used three boxes the backache had vanished and with it the rheumatic pains through my arms."
For sale by all dealers. Price 50 cents per box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.
Remember the name—Doan's—and take no other.

"A Texas Steer."

"A Texas Steer" has always been considered the greatest Hoyt money maker and now, in its 15th year, is continuing right along in the even tenor of its way piling up money. A successful play nowadays is better than a bank. This play has made over \$200,000 for Hoyt & McKee. The production has always been kept up to the original standard and the companies have always been evenly balanced and satisfactory. This unique, political satire will be seen at the Frazer tonight.
