

Our New Building

We are now doing business in our new home, although we have not entirely completed our new store. We think we will have a little bit the most attractive store in Pendleton when we get everything in readiness. We know we have the largest, best and freshest stock of groceries in this city, as we have just laid in a bright, fresh supply of high-grade groceries. We are positive that no store in Pendleton offers as great inducements to the trade as we do, or sells as high-grade goods. We give the most prompt delivery of goods.
