\$5.00 for the best Guesser

We will give a cash prize of \$5.00 to the one who guesses the nearest to the number of beans in the bottle in our window. A guess with every 50c purchase. The beans will be counted on Saturday night, October 29th, at 9 o'clock, by a committee selected from those present at the time, and the one who has guessed nearest to the correct number will be given the \$5.00. If anyone is so fortunate as to guess the exact number, that one will get an additional prize of \$5.00, making a total of \$10.00 for an exact guess. You don't pay anything for guessing. We want your trade and offer this inducement for this week. Duplicate tickets will be kept and we will know who wins even if the winner is not present on Saturday night when the beans are counted. We guarantee absolute fairness in this contest. Not an employe nor even the proprietor himself will know the number of beans in the bottle, and we will keep a duplicate record of tickets or guesses, so there will be no chance of fraud of any kind. No employes will be allowed to guess in this contest. Make a guess for every 50c purchase and have it recorded. You may get \$10.00. Trade here this week and try for the Cash Prize.
