## ELECTION IN ITALY

### GOVERNMENT IS FOUGHT BY THE DISCONTENTED.

Administration Stands for Monarchy, Anti-Socialism and Thick-and-Thin Loyalty to the Church—Labor Organizations Are Growing Powerful and Are Feared by the Powers That Be—Believed the Government Will Win Out.

Rome, Nov. 4.—According to the predictions which are being made in political circles here, a substantial majority for the existing cabinet will be returned at the parliamentary elections day after tomorrow, which, of course, would be the success of Premier Giolitti. The situation growing out of the preparations for the election, which at one time looked serious, has become calmer, and there is now no expectation of serious trouble. The government has not failed, however, to take precautionary measures and is prepared to immediately repress every provocation to disorder.

A substantial government victory will be greeted with intense satisfaction and also with a feeling of relief by all supporters of the monarchy and of existing institutions. The campaign of the republicans, socialists and other radical elements opposed to the ministry has been the fiercest in the political history of the united kingdom. The radicals have been gaining in strength for several years past. Of late they have become conscious of their power and recently they seized an opportunity to display it in the great strikes in Milan, Genoa and other cities of the kingdom, when they succeeded in paralyzing all industry for the time being.

The supporters of the government declare that the conflicts between the military and the mobs during these recent strikes were seized upon as mere pretexts for spreading and strengthening the flames of discontent which have been sedulously fanned by the socialists and all radicals for years, and that now the real object of their propaganda is not the mere overthrow of Giolitti and his cabinet, but that a serious movement to overthrow monarchical government, to attack existing Italian institutions, and to turn the country upside down has come to a head.

It is the terror which this movement has aroused and the uncertainty of the outcome that has led to the government leaving no stone unturned to insure victory at the elections next Sunday.

### ROOSEVELT WILL VOTE. He and Others Will Go to Oyster Bay November 8.

Washington, D. C., Nov. 4.—The exodus of government employes who are going home to vote reached the flood tide today. The feeling in regard to the political situation in Indiana is reflected by the anxiety of the department clerks and others from that state to get home and cast their ballots. The same desire is manifested on the part of New Yorkers, but the majority of them will not leave the capital until the eve of election.

The president, as has been his custom heretofore, will go to his home at Oyster Bay for the purpose of depositing his ballot for the republican candidates. Secretary Loeb and two of the executive clerks who will accompany the president are also legal residents of Oyster Bay. The party will leave here on Monday and expect to return the following day.

### CORTELYOU'S REPLY.

#### Secretary Will Speak for the Administration.

New York, Nov. 3.—It may truthfully be said that no event of the present republican campaign has excited a livelier interest among the politicians at both parties than is

### MOTHERS, DO YOU KNOW

the many so-called birth medicines, and most remedies for women in the treatment of her delicate organs, contain more or less opium, morphine and strychnine?

Do You Know that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

Do You Know that you should not take internally any medicine for the pain accompanying pregnancy?

Do You Know that Mother's Friend is applied externally only?

Do You Know that Mother's Friend is a celebrated prescription, and that it has been in use over forty years, and that each bottle of the genuine bears the name of The Bradford Regulator Co.?

Do you know that when you use this remedy during the period of gestation that you will be free of pain and bear healthy, hearty and clever children?

Well, these things are worth knowing. They are facts. Of druggists at \$1.00. Don't be persuaded to try a substitute. Our little book "Motherhood" (free). THE BRADFORD REGULATOR CO., Atlanta, Ga.

Mrs. Fairbanks tells how neglect of warning symptoms will soon prostrate a woman. She thinks woman's safeguard is Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—Ignorance and neglect are the cause of untold female suffering, not only with the laws of health but with the chance of a cure. I did not heed the warnings of headaches, organic pains, and general weariness, until I was well nigh prostrated. I knew I had to do something. Happily I did the right thing. I took Lydia E. Pinkham's Vegetable Compound faithfully, according to directions, and was rewarded in a few weeks to find that my aches and pains disappeared, and I again felt the glow of health through my body. Since I have been well I have been more careful, I have also advised a number of my sick friends to take Lydia E. Pinkham's Vegetable Compound, and they have never had reason to be sorry. Yours very truly, MRS. MAY FAIRBANKS, 216 South 7th St., Minneapolis, Minn." (Mrs. Fairbanks is one of the most successful and highest salaried travelling saleswomen in the West.)

When women are troubled with irregular, suppressed or painful menstruation, weakness, leucorrhoea, displacement or ulceration of the womb, that bearing-down feeling, inflammation of the ovaries, backache, bloating (or flatulence), general debility, indigestion, and nervous prostration, or are beset with such symptoms as dizziness, faintness, lassitude, excitability, irritability, nervousness, sleeplessness, melancholy, "all-gone" and "want-to-be-left-alone" feelings, blues, and hopelessness, they should remember there is one tried and true remedy, Lydia E. Pinkham's Vegetable Compound at once removes such troubles. Refuse to buy any other medicine, for you need the best.

No other medicine for female ills in the world has received such widespread and unqualified endorsement.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.

**\$5000 FORFEIT** if we cannot forth with produce the original letters and signatures of above testimonials, which will prove their absolute genuineness.

manifested in the meeting to be held at Durland's Riding Academy tonight under the auspices of the West Side Republican club. The extraordinary interest is due to the announcement that the speaker of the evening will be Chairman Cortelyou of the national republican committee.

It is understood that Mr. Cortelyou's purpose in taking the platform at a public meeting is to answer the charges that have been made against him in connection with collections for the republican campaign fund. Mr. Cortelyou, it is said, decided to make a public defense of his conduct as national chairman at the earnest solicitation of President Roosevelt, who is understood to have been considerably annoyed by the talk about Mr. Cortelyou's part in the collection of campaign funds from trusts and corporations.

### Iowa Colleges to Debate.

Cedar Falls, Iowa, Nov. 4.—The debate between representatives of Iowa College and Iowa State Normal school, which was to have taken place at Ames two weeks ago, but was postponed, will be pulled off here tonight and it promises to be the event of the year at the normal school. The normal debaters have the affirmative and Ames the negative side of the question: "Resolved, That a system of national bank note currency based upon commercial assets, similar to the Canadian system, is preferable to the United States government bond system."
