> Hole in the Mountain Will Be Made Higher and Wider and New Logging Will Be Put in Place-Effort Will Be Made to Build a Temporary Track Around the Point of the Hill -Work of Engineer Mix is Now Shown to Have Been Correct.

> The O. R. & N. Co. will enlarge tunnel No. 4, a mile west of Meacham The timbers and lagging in the tunnel need to be replaced and the hole through the point of the bill is not large enough anyway to suitably accommodate the big engines and high cars that have to come into use on the

> The tunnel will be made both wider and higher, and the portals will have a casing of concrete and the same material will take the place of timber on the sides and roof of the tun-nel. When this improvement is completed it will be of a character that is calculated to last.

An attempt has been made to build a temporary track around the point of the hill to be used while the work in the tunnel is in progress, but the theme has not yet been satisfactorily figured out. Three or four of the principal engineers of the company principal engineers of the company have been at Meacham during the past few days, looking over the situa-tion and numerous surveys have been made, but up to the present time there is no practical solution. In throwing the track around the point of the hill the curvature is too sharp to be utilized even for temporary pur-

cism offered again the work of Engineer Mix, dow decreased, who was the original locating engineer for the O. R. & N. Co. in the Blue mountain district 24 years ago.

It was stated at that time that the Meacham tunnel was unnecessary, and might have been obviated by foicompound locomotives and tall fur-niture cars of the present day, it is evident that in the matter of maxi-Kansas produces nearly as much mum curvature permissible in a railroad track, he knew his business

## A COUGH

CONUNDRUM

When is a cough more than a cough? When it's a settled cold.

When it hangs on in spite of all you can do. Cough mixtures won't cure it because they are merely for a cough and this is something more.

Scott's Emulsion cures the cough because it cures the something more. It heals and repairs the inflamed tissues where the cold has taken root and prevents its coming back.

We'll send you a sample free upon request. SCOTT & BOWNE, 400 Pearl Street, New York
