A Monster Sale of Rich Silks and Superior Dress Fabrics that Demands Instant Attention and Defies Attempts at Competition

A sensational sale that must command widespread response because of the high character of the stocks. Quality and style are combined in every yard of fabrics in the enormous Clearance Sale. Such Silks and Dress Goods as make up the awful carnage of values in this record-breaking sale cannot be bought today at the mills at the prices we sell them at. It will pay you to invest liberally this week and secure fabrics you will need for wear all through the coming year. If you put off buying now you'll pay the penalty of procrastination in the shape of advanced prices, for ordinarily no house can possibly sell silks and dress goods at these absurdly low prices, and they're just the fabrics that will be in demand for a 12-month hence. Limited space precludes the mention of other than these few extra specials for this week. RADICALLY RECKLESS SLAUGHTER OF THE SEASONABLE, FASHIONABLE, WANTED DRESS GOODS. The "don't care" spirit seized upon the man with the knife as he sallied forth to murder prices for the Clearance Sale in the Dress Goods sections. And he's left a trail of carnage behind that bargain lovers will gloat over.
