

# AMONG THE EXCHANGES OF THE INLAND EMPIRE

Enforce the Law. District attorney for Hood River, informs the Glacier that he will do all in his power to enforce the law in respect to the saloons in Hood River. The saloons have been closed, he says, as that is the law, he is not aware that it is enforced. But he will see that it is enforced. "I have heard it reported," said the district attorney, "that the saloons were open in Hood River since the close of the year, as heretofore, and also heard that the question was asked as to what I intended to do about it. Will you kindly inform the people of Hood River as to the law, so that they may be able to see the harmony with those who are enforcing the law."

Caldess branch line. The rock is taken from a point about five miles above Kendrick and it is estimated that it will take the crew about three weeks yet to complete the work. It is estimated that about 1000 carloads of rock have been hauled through here for this work, which will put the roadbed on the hill between Troy and Kendrick in the best condition it has been since the road was built and the opening up of the rock quarries along the line has furnished fine ballast and riprap material, which is being used quite freely. The company has built new coal bunkers here and repaired their side tracks and still continues to work extra engines on the hill for the Clearwater business, which reaches a large volume annually.—Kendrick Gazette.

Condon Has a Room. J. B. Eddy, O. R. & N. right of way agent, says that the company will begin laying rails on the Arlington-Condon railroad the first of next month. Condon is having a boom on account of the new road. The new Gilliam County bank will be ready for business in about six days. Its capitalized stock will be \$50,000. New a lights have been put in on the main street of the town, which is soon to have a telephone system also. Among other buildings a new hotel to take the place of the Summit hotel, which was burned in the fall, has been erected.—The Dalles Chronicle.

Directors and Stockholders Meeting. The annual meeting of the stockholders of the First National bank of Grant county re-elected the same board of directors that have served the institution during the past year, as follows: F. C. Sels, D. G. Overhol, G. W. McHaley, J. A. Pope, W. S. Brown, Orin L. Patterson and J. W. Scriber. The directors perfected an organization by re-electing the same officers, as follows: F. C. Horses are valuable just now if well broke. A spoiled horse or an unbroke horse is of no account until he is broke and taught to do what you would have him do. I will train your horse for any purpose for which a horse is intended. Even the wildest can be tamed and controlled, and I can show any man how to keep him so. I have added from \$50 to \$100 to the value of a horse in 20 days.

It is cheaper for you to have your horse broke by one who is prepared to do the work and understands the business than to endanger your life by trying to do it yourself. I buy and sell good horses all the time at the Dutch Henry feed yard.
