Horses are valuable just now if well broke. A spoiled horse or an unbroke horse is of no account until he is broke and taught to do what you would have him do. I will train your horse for any purpose for which a horse is intended. Even the wildest can be tamed and controlled, and I can show any man how to keep him so. I have added from \$50 to \$100 to the value of a horse in 20 days. It is cheaper for you to have your horse broke by one who is prepared to do the work and understands the business than to endanger your life by trying to do it yourself. I buy and sell good horses all the time at the Dutch Henry feed yard. Lee Kennard
