GOVERNMENT LAND WILL OPEN

100,000 Acres Lying on the Snake River.

Walla Walla, Jan. 20.—One hundred thousand acres of government land in Walla Walla county, lying along the Snake river, will in all probability be thrown open for entry within the next 90 days. Notice to that effect has been received at the land office.

The lands were withdrawn from all but homestead entry some time ago in accordance with the act of June 17, 1902, under which lands under any reclamation project might be withheld from all but homesteaders. The department of the interior instructed the commissioner of the general land office to throw these lands open to all forms of public entry to which they were subject before the withdrawal, as not suitable to irrigation under the reclamation project for which they were withdrawn.

In accordance with the law governing such cases, the public notice must be given in the land district concerned 90 days before any one may file for entry on these lands and the lands in question will not be open for entry until about April 19.

A PROMISE.

Sullivan & Bond Make a Pledge That This Will Be the Last Time They Will Ask You to Help Them Move.

We asked you once before to help us move and we paid big wages to all who came to our assistance and carried our goods to their homes; now we want you to come and give us another lift in moving and we will pay you bigger wages than before. We promise this will be the last time we'll ask you to help us move and we also promise to make it greatly to your advantage if you come before we leave our present location.

We have many more goods to move this time than before and will need more help than we did then, so we are better prepared to allow big wages. Come and carry our goods to your home and we will allow you a big discount, which will amount to a good salary.

We move January 28 and 29 to the new Schmidt building.

SULLIVAN & BOND.

Salem Jail Break. Salem, Jan. 20.—The most quiet and successful jail break in the history of the Salem city jail was executed this morning about 3 o'clock, when Walt Ferrell and Mike Penfold, the two crooks, tore a 2x4 crossbeam from the screen in front of the toilet room in their cell and pried their way to liberty, through a 7 1/2 inch space, between iron window bars. The prisoners were identified by Detective Kerrigan as burglars wanted in Portland for a hardware store robbery.

TO COMPLETE TITLES.

Senator Pierce Introduces Bill Giving Executors Greater Powers.

Following is an important bill introduced by Senator Pierce, giving executors power to complete title to real estate where deceased person had given only a bond for a deed:

A bill for an act to empower executors and administrators to execute deeds of conveyance in cases when a deceased person had executed a bond for a deed.

Be it enacted by the legislative assembly of the state of Oregon; also be it enacted by the people of the state of Oregon:

Section 1. If any deceased person was at the time of his death, a party to a bond for a deed for the sale and conveyance of real estate, his interest in said property may be conveyed by his executor or administrator, upon full compliance with the terms and conditions of such bond by the other party thereto, and a deed of conveyance so made shall transfer the same title as though made by such deceased, if living.

Sec. 2. Such conveyance shall be made upon report to the county judge of the county in which the estate of such deceased person is being administered, showing that all the terms and conditions of said bond have been met, and if satisfied therewith, said county judge shall thereupon make an order authorizing and directing the execution of requisite deed to the proper parties.

Sec. 3. Inasmuch as there is no existing law of the state which governs the subject of this act, an emergency is hereby declared to exist and this act shall take effect from and after its approval by the governor.

As Many a Pendleton Reader Knows Too Well.

When the kidneys are sick, Nature tells you all about it. The urine is nature's calendar. Infrequent or too frequent action; Any urinary trouble tells of kidney ills.

Doan's Kidney Pills Cure all kidney ills.

Pendleton people testify to this. S. B. Baldwin, retired, of 709 Thompson street, Pendleton, Ore., says: "When I saw Doan's Kidney Pills advertised, I desired to try them and got a box at the Brock & McComas Co., drug store. They did me a world of good. My kidneys had bothered me off and on for 35 years, always more severely after I had caught cold. There was not much headache, but I was annoyed with a weakness of the kidneys which disturbed my rest several times each night. I got Doan's Kidney Pills at the Brock & McComas Co. drug store and used seven boxes in all. They corrected the function of the kidneys and strengthened my back as well."

For sale by all dealers. Price 50 cents per box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.
