GRANT COUNTY LINES

Senator Laycock Introduces a Bill to Settle Disputes Over Land Lying at the Summit of the Blue Mountains and Claimed by Both Umatilla and Grant Counties-Umatilla Gains About 15 Sections.

Following is senate bill No. 83, by Senator Laycock, fixing a permanent boundary for Grant county. By the new boundary line between Umatilia and Grant county, Umatilla will gain about 15 sections of land along the summit of the Blue mountains, according to the estimate of Land Agent Oswald West.

The bill is to settle disputes over territory along the summit of the mountains claimed by both counties.

he bill in full, is as follows:

A bill for an act to amend section 2325 of the laws of Oregon as com-piled by Charles B. Bellinger and William W. Cotton, and to declare an emergency.

Be it enacted by the legislative asembly of the state of Oregon; and, also, be it enacted by the people of the state of Oregon:

Section 1. That section 2325 of the odes and statutes of the state of Oregon as compiled and annotated by Charles B. Bellinger and William W. Cotton, be and the same is hereby amended so as to read as follows: Sec. 2325. The boundary lines of

Grant county shall be as follows: Beginning at the southwest corner of ownship 18 south of range 26, of the Willamette meridian, thence running north on the line between range 25 and 26 east, to the northwest corner of township 7 south, range 26 east; thence east along the township line between 6 and 7 south. to the summit of the chain of moun-tains known as the Blue mountains: thence southerly along the summit of said Blue mountains to the westerly boundary line of Baker county, as described in section 2305; thence along and adjoining said western line of Baker county on the summit of said Blue mountains southerly beween the waters of Powder river and Burnt river on the east, and John Day river on the west, to a point where the Dallas military road crosses the summit of said mountains; thence due east to a point where the range line of the United States surveys will be intersected between ranges 36 and 37 east of the Willamette meridian: thence due south to the township line hetween townships 17 and 18 south; thence due west along the said township line to the range line between ranges 32 and 33 east of the Willamette meridian; thence due south on said range line to the township line between townships 18 and 19 south; thence due west on said township line to the place of beginning.

Sec. 2. It is hereby declared that existing conditions are such along the indefinite present boundary lines of Grant county, that suits and actions are now being and threatened to be begun on account of double assess-ments and taxations, and because of are the uncertainty in summonings. trial and other jurors from disputed and uncertain districts as between Grant and other counties, this act is necessary for the immediate preservation of the public peace, health and safety, and excepted from the exercise of the power of the referen lared to exist, and this act shall take effect and be enforced from and after its approval by the governor.
