Can You Comprehend Corset Comfort

Combined with style and durability Can you think of any one corset better adapted for the average woman than the HENDERSON? These corsets are made for all shapes. They are fitted on living models. To the woman who wants to improve her figure, the HENDERSON comes as a great help. It will improve her appearance and at the same time add to her comfort. Believe it? We can prove it. If you buy a HENDERSON and it's not satisfactory, return it. We are safe in making this offer, for we take care that each corset is the right design. But if it should prove unry, we'd rather you'd return it. Today we can show you
