Forcible Demonstration

OF THE SUPERIOR VALUE-GIVING POWER OF

The Peoples Warehouse

FORCIBLY demonstrating the fact that this great store **UNDER-SELLS** as well as **UNDERBUYS**. We buy thrice the quantity and sell thrice the quantity of any other store in the Inland Empire. We buy cheaper and can afford to sell cheaper. Yet, remember, our price always carries with it **QUALITY** and **STYLE**. The Peoples Warehouse handles none of the unreliable, untrustworthy kind. Every article in this great Emporium carries with it the stamp of **RELIABILITY**, **DESIRABILITY** and **TRUSTWORTHINESS** and sells here at a less price. At this season of the year, especially, is the supremacy of The Peoples Warehouse leadership in **Quality**, **Style** and **Price** most forcibly demonstrated--here you may have the satisfaction of selecting from immense assortments of the newest and most satisfactory of all kinds of Spring Merchandise, and always at a saving. Remember, satisfaction always, at **THE PEOPLES WAREHOUSE**.
